TCS PREFERRED

BACKUP SOLUTION

PROTECT YOUR COMPANY'S DATA

Because we know how important your data is to you and your company.
Local Backup Vs Cloud Backup. Full System Backup. Recovery time is quick and the system is in your office. This is TCS's Fully endorsed Backup Solution.

Full Bare Metal Backup

Create a full image of every Workstation & Server in your office, including applications & settings.

Data Recovery

Have you lost a file? With TCS Data Backup Solution, we will be able to recover it for you.

Smart Management

Peace of Mind knowing you have full control of your backups, they are not in the cloud, and fast recovery time.

TCS Backup Solutions

Backup all of your systems for 36 payments of \$99.95 per month and you own the equipment. **

** This is an estimated payment plan. Based on credit approval
