

Full Moon in Gemini

You are being fickle at the moment. Try to surround yourself with loved ones right now, and not people that lead you off your path, or affect your confidence and self-worth. It might be time to make some big changes. Discuss your thoughts with your loved ones and listen to their feedback. Communication is easier right now.

Ask yourself:

1. Have I been superficial recently?
2. Have I found a balance between my heart and my head?
3. Am I spending time with the right people?
