

# *Full Moon in Sagittarius*

You have been having a lot of fun and adventures. This is great! But make sure you haven't been too carefree. Have you given thought recently to your goals in life? Now might be the time to reassess them and plan towards them. Your optimistic nature at the moment will help with this.

## **Ask yourself:**

1. Have I been serious enough?
2. Am I doing enough planning?
3. Am I being humble enough?

## **Affected organs:**

Take special care of the following during this moon phase: liver, hips, lower back.

## **Aromas:**

Bergamot, calendula, clove, nutmeg, rosemary, saffron.

## **Element:**

Fire: enthusiastic, creative, courageous, spontaneous, self-sufficient.

## **Tarot Suit:**

Wands: fiery, passionate, energetic, daring.

## **Crystal:**

Carnelian, amber, cherry quartz.

## **Affirmation:**

I have vision and am creative enough to materialise it.

## **Numerology:**

The number 3: imaginative, creative, dreamy, adaptable, can be flightsy.
