

Full Moon in Scorpio

Things are rather full-on at the moment. Consciously make time for self-care, and in particular, relaxing down-time. It is a good time to bring out your sensuality. You are craving some deeper connections right now.

To ask yourself:

1. Are you surrounding yourself with meaningful relationships?
2. Have you been putting a wet towel on your sensuality?
3. Do you have a healthy relationship with sex?

Affected organs:

Take special care of the following during this moon phase: reproductive system and anus.

Aromas:

Black pepper, coffee, galangal, hops, pennyroyal, tuberose, woodruff.
