

COUNTRY ARTIST & SONGWRITER

BRODY CASTER

WWW.BRODYCASTER.COM

Brody Caster is a Country Artist and Songwriter based out of Tolar TX. He grew up on the edge of the Flint Hills in Southeast Kansas, outside the small town of Douglass Kansas. His rural upbringing exposed him to country icons such as George Strait, Alan Jackson, Travis Tritt, and Joe Diffie at an early age.

At seventeen, Brody got the opportunity to sing on country music's most prestigious stage, The Grand Ole Opry in Nashville Tennessee, with the 2015 National High School Honor Choir. It was after this life changing performance that Brody decided he wanted to try and pursue a career in country music. After graduating college, Brody moved to Texas to pursue a career in the Texas/Red Dirt music scene.

His single "Started with a Song" won the local music showdown on 95.9 The Ranch in Fort Worth, and charted in the top 80 of the TRRR Chart. In November of 2020, Caster won the New Artist Scholarship at the Texas Country Music Awards. Caster has a new record scheduled for a Feb. 2022 release.
