EXPLORER EXTERIOR REFRESH

Quick, effective exterior clean to maintain your RV.
Best for: Regular upkeep, post-trip cleanup, or lightly used RVs.

ENHANCE YOUR SERVICE:

- Awning Wash & Treatment
- Seal & Caulking Inspection

Has it been sitting for a while?
Consider a deep roof clean.
Living in coastal conditions?
Add UV protection to prevent fading.

RESTORE FINISH
(IF NEEDED)

PROTECT FINISH
(UV + SEALANT)

CLEAN. MAINTAIN. EXPLORE. REPEAT.

COASTAL PROTECTION CLEAN

Deep clean with added protection.
Best for: Seasonal cleans, coastal storage, or moderate buildup.

ENHANCE YOUR SERVICE:

- Solar Panel Rinse/Clean
- Wax Protection (Paint Sealant)

Want longer-lasting shine? Add paint sealant.
Noticing fading or chalky surfaces?
You may need oxidation removal.

RESTORE FINISH
(FOR OXIDATION/FADING)

ENHANCE SERVICE
(FOR SHINE + FINISH)

CLEAN. MAINTAIN. EXPLORE. REPEAT.

ADVENTURE READY FULL RESET

Full interior + exterior reset = move-in ready.
Best for: Pre-trip prep, post-storage reset, or full seasonal refresh.

ENHANCE YOUR SERVICE:

- Carpet & Upholstery Cleaning
- Mould & Moisture Treatment
- Odour Neutralization

Stored over winter? Add moisture & mould protection.
Pet use or heavy wear? Consider carpet & upholstery cleaning.

ENHANCE SERVICE
(RECOMMENDED)

PROTECT FINISH
(FOR LONG-TERM CARE)

CLEAN. MAINTAIN. EXPLORE. REPEAT.

STEP 2 CHOOSE YOUR FINISH

Add detailing to restore, protect or enhance your RV.

RESTORE

For what's already worn, faded or damaged.

OXIDATION REMOVAL

- Machine polishing / compounding
- Removal of chalky oxidation
- Colour and gloss restoration

EXTERIOR SURFACE RESTORATION

- Black streak removal
- Hard water stain removal
- Bug, sap & environmental build up
- Surface decontamination

DECAL & FINISH CORRECTION

- Decal restoration or removal
- Faded Surface Blending
- Minor scratch & swirl reduction

WHEN CUSTOMERS NEED THIS:

- RV looks dull, faded, or chalky
- Uneven colour or streaking
- Hasn't been properly maintained in a while

"BRING YOUR RV BACK TO LIFE."

This is the step most RV's need before any protection is applied.

PROTECT

Lock in the results.

SEALANTS & COATINGS

- Wax application (short-term protection)
- Paint sealant (longer-lasting protection)
- Optional future: ceramic coatings

UV PROTECTION

- UV inhibitor treatments
- Fade prevention coatings
- Protection for fiberglass & gel coat

RUBBER ROOF CONDITIONING

- Deep clean
- Conditioning treatment
- UV barrier application

SEAL & SURFACE PROTECTION

- Non-invasive seal protection
- Moisture resistance treatments
- Surface barrier applications

WHEN CUSTOMERS NEED THIS:

- After a deep clean or restoration
- Before storage
- In high sun / coastal exposure

"LOCK IN THE RESULTS."

Without protection, oxidation and damage will return.

ENHANCE

Take it to the next level.

SURFACE ENHANCEMENT & FINISHING

- High-gloss finishing polish
- Shine enhancement treatments
- Final finish refinement

MULTI-SURFACE DETAILING

- Trim & plastic restoration
- Chrome & metal polishing
- Exterior detail finishing touches

SPECIALTY TREATMENTS

- Glass coating / rain repellent
- Solar panel cleaning & efficiency
- Awning conditioning (premium)

OPTIONAL ENHANCEMENTS

- Ceramic Coating
- Custom aesthetic upgrades
- Advanced surface protection layers

WHEN CUSTOMERS CHOOSE THIS:

- They want their RV to look exceptional, not just clean
- They care about aesthetics + longevity
- They've already invested in Restore/Protect

"TAKE IT TO THE NEXT LEVEL."

The difference between clean... and showroom-level.

PROTECT YOUR INVESTMENT
Regular cleaning & detailing extends the life and value of your RV.

PREVENT COSTLY REPAIRS
Dirt, debris and UV damage can lead to expensive repairs over time.

ENJOY MORE ADVENTURES
A clean, well-maintained RV is ready for wherever the road takes you.

LOCAL & TRUSTED
Proudly serving RV owners in our coastal community.
