

## DISTINCT HOME WATCH & CONCIERGE, LLC

When Courtney Moore checks her clients' homes, she has one goal in mind – to provide them with attentive, quality home watch so they may have 24/7 peace of mind while away from their Florida home.

“Our attention to detail is what really sets us apart. Being professionally trained, I learned how to do things the right way from the start. Our home checks are literally top to bottom!”

During her weekly or bi-weekly visits, Courtney ensures that potential issues are addressed before they become major problems.

With her software that has a built-in GPS, her homeowners have instant access via the internet to her detailed home reports and, most importantly, proof of her visits. Her concierge service entails overseeing maintenance and home improvement appointments, receiving deliveries, and greeting families and their guests upon arrival and departure – just to name a few. She even drives her homeowners' vehicles if they are away for extended periods of time.

“I enjoy doing everything we can for our clients.”
