- Early bird tickets still for sale for \$75 for remainder of 2025

OLD BUSINESS

- Heather submitted a draft of the outline of fundraising policy and steps for coaches/teams to use moving forward
- Highlights of the report are that it should include the sport it's for, specify what the fundraiser is intended to purchase and length of time of fundraiser. Boosters should be provided the information to pay any vendors directly. The funds raised also need to align with bylaws of what money can be used for. Fundraisers must be submitted to AD and Boosters President for approval.
- If fundraising without support of Boosters it needs to be clearly stated who the 501(c)(3) hosting the fundraiser is.

NEW BUSINESS

- Heather and other boosters members are trying to get the word out to coaches about making purchase requests for equipment. It is policy to have 2-3 bids for significant equipment such as uniforms. These requests can be made via a google doc form and need to be submitted before a meeting to be approved.

COACHES REPORTS-

Chris Lang, Varsity Girl's Soccer

- Running a fundraiser that will have wrapped up before the next Boosters meeting. Fundraiser was originally for parkas, but pivoted once those were provided to girls soccer. Potential to use some of the funds towards part of the uniforms and also for backpacks.
- He is planning to submit bids for new uniforms at December's meeting. His goal is to have uniformity on all teams and enough uniforms moving forward to potentially allow for a freshman soccer team.

### Samm Spears-Baseball

- Gave updates on the golf tournament held in early November. Final numbers to most likely be updated by December's meeting based on different payment methods accounting timelines
- Will also be presenting quotes for uniforms based on the three season timeline in order to potentially have them ready for the beginning of the baseball season.
