Our daughter rides the school bus to the academy and is met with warm, smiling faces of the staff and fellow students. Being around other students in the same grade and studying the same subjects encourages my child to do her best work.

OUR DAUGHTER HAS BEEN BLESSED TO ATTEND ALMA BELLA THE LAST TWO YEARS THROUGH SCHOLARSHIPS. WE ARE SO THANKFUL BECAUSE THE ACADEMY HAS ALLOWED HER TO EXPRESS HERSELF THROUGH CREATIVITY AND ARTS IN AN ENVIRONMENT THAT IS SO POSITIVE AND WELCOMING. IT TRULY HAS HELPED OUR SHY DAUGHTER COME OUT OF HER SHELL. WE ARE GRATEFUL FOR THE OPPORTUNITIES SHE HAS BEEN GIVEN.

I am so thankful for the Alma Bella Academy and the positive influence it is having on my daughter this school semester.

The academy is a safe and welcoming atmosphere where my child can get her homework done right after school.

If she needs help on an assignment or could use some additional tutoring, the Alma Bella staff are available to assist.

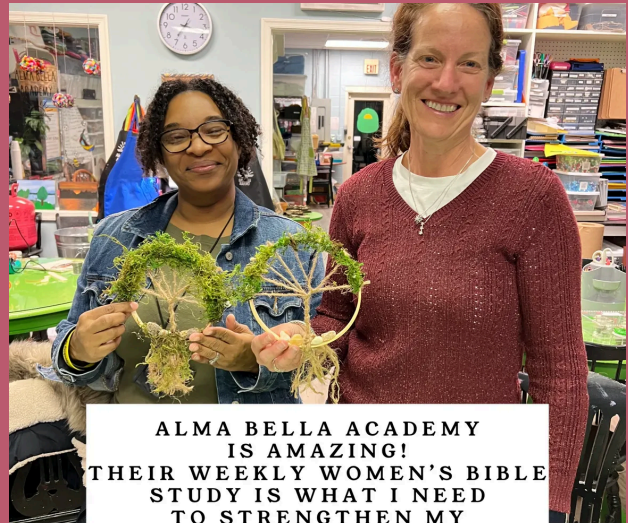

The Alma Bella Academy provides opportunities for children (and adults) to participate in activities to promote mindfulness which can enhance their quality of life, self-confidence, and peace of mind.

Alma Bella also gives students the freedom to explore their creative interests. My daughter is learning beginner sewing skills, clay modeling, painting, and how to use a Cricut design and cutting machine to create beautiful pieces of art.

ALMA BELLA ACADEMY IS AMAZING! THEIR WEEKLY WOMEN'S BIBLE STUDY IS WHAT I NEED TO STRENGTHEN MY HEART AND MIND AND BRING ME CLOSER TO GOD! I CAN NOT SAY ENOUGH ABOUT WHAT AN ASSET ALMA BELLA IS TO THIS COMMUNITY!

"My life is split in two-B.A. and A.A., before Alma Bella and after Alma Bella. B.A. wasn't the greatest because my parents worked long, hard hours. I couldn't go home, so I went to a after school program. The teachers were rude, the kids were jerks, and the activities were a bore. The days were dreary and dark, and I was a flower without sun. So much potential, the ability to grow into something beautiful, and bright, and stunning. And then came the sun. Alma Bella gave me a safe environment to grow and flourish. I feel safe and wanted. I feel like my eyes have finally been opened. Alma Bella has forever changed my life for the better. Thank you to Alma Bella and all the beautiful souls who thrive there."

Alma Bella means a lot to me. The adults there are amazing and truly care about the kids. It has impacted me by creating new friendships with people that I didn't even know went to my school. I am very thankful for everything that they do at Alma Bella.

I thank Alma Bella for providing a positive environment where my child can grow as a student, mature as a young lady, and to continue discovering her individual talents/interests.

Students collaborate in teams to tackle STEAM challenges, incorporating Science, Technology, Engineering, Art, and Math, along with painting, pottery, and sewing activities. At our academy, students grasp knowledge through hands-on experience. Trial and error promotes critical thinking as students assess the consequences of their efforts, enabling them to learn from their missteps and improve their approaches.
