GRIEF SONGS:

"A beautiful, personal collection of family photos and poems that express the author's most inner feelings. Nostalgic and heart-felt, Gauffreau's poems are written in the Japanese style of tanka, simple, thoughtful, and full of love. Filled with wonderful memories of the past."

~Kristi Elizabeth, Manhattan Book Review

"Poetry readers willing to walk the road of grief and family connections will find *Grief Songs: Poems of Love & Remembrance* a psychological treasure trove. It's a very accessible poetic tribute that brings with it something to hold onto--the memories and foundations of past family joys, large and small."

~Diane Donovan, Midwest Book Review
