## Summer Training

Under Armour Next

The UA Prep program is designed to prepare athletes to play at the next level. That may be school, college, or to make the next club team. This is NOT a local recreational league. Each athlete is placed in a level based on their individual skills. All coaches are experienced WJVC staff. They help guide each athlete to develop and improve through the different ability levels. Athletes progress through the program through evaluations and from or our experienced staff members.
