Welcome to our Show

Dear fellow stamp collectors,

Welcome to our 72nd annual Sarasota show!

Although we have no main convening society we are pleased to be hosting meetings by the Florida Postal History Society, the Cuban Philatelic Society of America, the Philatelic Society of Puerto Rico, the United States Possessions Philatelic Society and Germany Philatelic Society Chapter #23. and the American Air Mail Society. Please consult our Schedule for details of Meetings.

We are sure you will find something to add to your collections from one of 30 plus dealers and trust you will enjoy reading our 30 plus exhibits.

We are bringing back the very popular "Stamps in Your Attic" table where you can get advice about what to do with that inherited collection. (Table 29)

Best wishes for an enjoyable year of philatelic activities in 2024,

Pat Stilwell-Walker,

Sarasota Philatelic Club, President

Stamps In Your Attic

Do you have a collection from your youth, or perhaps inherited from a relative, that you put away not knowing what to do with it? SNSE has a free initial evaluation booth staffed by a retired APS and ASDA dealer and past SNSE show judges. They are ready to provide a free evaluation of your collection.

These experts will not offer to buy your collection but will provide a professional opinion to answer your questions. Should you keep the collection as a family heirloom, put it in auction, give it to charity, or sell it to one of the show's many dealers?

We are ready and willing to provide free opinions.
