**Overcomers Institute exists
boldly and without apology
to develop, equip, and
deploy whole leaders
around the globe.**

Overcomers Institute is also a satellite extension of Anchor Bible College. As such, we offer degrees ranging from Associate degrees to Doctorate degrees from Anchor Bible College. A full list of classes and degrees offered are available upon request.

At a time when deception is running rampant in and outside of the Church, we need to appreciate sound Biblical doctrine and take advantage of schools like Overcomers Institute. Founded to develop, equip, and deploy whole leaders to carry on the work of the ministry, our college has helped so many do just that in the United States as well as other countries overseas. Preparing those called to serve in ministry to fulfill their assignments, teaching those in the ministry of helps so they can be a blessing to their leaders, and assisting Christians with their spiritual growth and development, Overcomers Institute maintains a solid Bible-based curriculum. We have also provided education in secular subjects in a Godly environment to help Christian men and women excel in business and other life experiences.

In the book of Habakkuk, we are told that visions are for an appointed time. In the book of Ecclesiastes, we are told that for everything there is a time and season. In Galatians, the Bible declares; “In the fullness of time, God sent forth...”

Several years before the inception of Overcomers Institute, the Spirit of God began to speak to me about a school that would equip the laity and those called into five-fold ministry to be more effective and productive for Him. After carrying this as a mother does a child, I came to realize that the appointed time had come. Overcomers Institute was born.

As we approach the return of Christ, mighty warriors of God will be demonstrating the power of the Spirit and the defeat of our enemy. Students of Overcomers Institute will be challenged, motivated, and prepared to be in the forefront of the most powerful explosion of the works of the Holy Spirit this world has ever known. As Daniel 11:32 declares, “...the people that do know their God shall be strong and do exploits.”

Instruction will be provided by men and women who are qualified, experienced, and seeking more of God. In addition, proven, successful men

and women in the ministry will address the student body and class periodically.

Hands-on training will be available through the ministry opportunities of Overcomers Movement and other churches. This will allow the student to see and experience practical application of the principles and concepts taught in the classroom. Could this be your appointed time for in-depth, structured study or training as a layman or a minister? Has God been speaking to you about the School of Bible or School of Ministry? If so, join us today!

Remember... The measure of a university is not the accolades accumulated from popular college guides and national rankings. The true measure is the transformation our students experience that prepares them to be intelligent, thoughtful and compassionate leaders who are committed to making a positive difference in their community and the world.
