COMMANDERS CORNER

Fellow Veterans, Families and Friends. September was a great month for Post 115. We saw strong support at our Saturday breakfasts, made great progress on our upcoming Fall Festival Event, and welcomed new members to our post. As we move into October, let's keep the momentum going. We have opportunities to serve our community, honor our fellow Veterans and make a positive difference in Kyle and surrounding areas. I encourage everyone to get involved – whether it's volunteering, attending a meeting or bringing a fellow Veteran to an event.

Chris Calkins
Commander
