

TRIBAL TOWN

Q and A

by Joey R. Marino and Marla Marino

Project Includes:

- 2:00 trailer 10 Seconds of Silence filmed in Feb. 2020
- 6:00 short 10 Seconds of Silence filmed in Feb. 2020
- Tribal Town Bible, 28 pages
- Tribal Town Pilot Screenplay, 58 pages
- Tribal Town Look-book

Notes:

1. The names were changed from the original 6:00 short, since these are real people and some are still alive, we thought changing names would be ethical at this point. I changed the names in the 2:00 trailer also. To avoid confusion, Tommy becomes **Danny**, Jimmy becomes **Teddy**, Stan becomes **Bobby**, Big Jack stays the same.
2. Many of these stories are true, although a lot of fiction has been added. I spent many months with the “real” individual(s). Some stories were taken from myself and wife's adolescents.
3. The correct timing for the first year episodes is between 1976 and 1981.

4. There are several people who are invaluable to this project and I prefer they be involved if possible.
5. The name ***Tribal Town*** was derived from the City's clannish behaviors.
6. Chris Connolly initially helped with the pilot.
