

Friends of the Mel Stillman Community Tennis Center
CHAD Tennis 2020

COVID 19 AGREEMENT - CHALLENGER

Children **may not** participate if they have any one symptom of COVID-19:

New Loss of taste or smell	Shortness of Breath	Congestion or runny nose	Muscle or body aches	Nausea or vomiting
Fever or Chills	Sore throat	Fatigue	Headache	Diarrhea
Cough	Respiratory Issues	In contact with COVID-19 within last 14 days	Traveled outside of Massachusetts within last 14 days	

- Before the Clinic begins, each day, the adult accompanying the child or the child will be asked to self-certify that the child and members of their household are free from all COVID-19 symptoms. If any of these symptoms are detected in a child, the child will be asked to leave the clinic and quarantine for 14 days before returning.
- All children must bring a face mask. The children are not required to wear a face mask as long as they stay 6' away from the other children. If we see a child is unable to keep 6' away, we will request the child wear a face mask.
- Children must bring **their own water bottles and their own tennis racquets**. Please do not have the children bring anything else but their racquets and water bottles and please label everything with their names.
- We will provide hand sanitizer and towelettes at the courts, but please make sure your child washes their hands when returning home.
- **The bathrooms will not be open.** Please make sure your child uses the bathroom before coming to the clinic.

I understand the above requirements are necessary for the operation of outdoor recreation tennis instruction during the COVID-19 pandemic and agree to follow them. I further agree to notify Friends of the MSCTC if my child or anyone in my household tests positive for COVID-19 while my child is participating in the tennis clinics.
