“Your Partner in the Sky”

Standard Pricing May 2018

We are FAA-certified, registered and insured, and our rates are among the very best you will find.

Please consider this when you select your vendor:

Our low-overhead and local presence allows us to offer uncompromising quality and service with great rates; however, our rates may not always be less than uncertified, uninsured, individuals that can leave you and your clients exposed to liability.

Item No.	Residential Real Estate Package	Price	Description of Service
1	10 high-definition stills and 1 minute video	\$150	package
Item No.	Commercial Real Estate/Construction Package	Price	Description of Service
