ANNOUNCEMENTS

♦ Upcoming Closing

The Parish Office will be closed on Tuesday, September 9th.

♦ Centering Prayer Group

The Centering Prayer group continues to gather every Tuesday at 1:30 in the Parish Office Conference Room.

♦ ECW in September

ECW will meet tomorrow, September 8th at Noon in the Parish House, to hear speaker Mike Taylor answer our questions about how and what to recycle. Mike is the manager of "Green for Life" which offers recycling pickup in Wilkes County. Our special guests will be the women's group from the North Wilkesboro Presbyterian Church. Lunch is provided, and all are welcome!

♦ Fall Bible Study

Join Mother Stephanie on Wednesdays at Noon and take a journey of exploration through the book of the prophet Isaiah! Reserve your Wednesday's from approximately September 17th through December 3rd. This Bible Study will meet for 11 weeks of study and fellowship with the exception of one or two Wednesday's along the way.

♦ Newcomer/Fellowship Events

On Sunday, September 14th, join Mother Stephanie and few lay ministry leaders after Worship if you have joined the life and ministry of St. Paul's over the last couple of years and have not yet attended a Newcomer event, or if you have attended an event but would like a refresher.

On Sunday, September 21st, everyone is invited for a fellowship event following our One Bread, One Body service.

♦ St. Paul's Nametag and Member Information Initiative

Please make sure you complete the survey that was sent out on August 25th through Constant Contact. This survey will help us to ensure our Parish records are updated, and to increase our hospitality practice and show forth our spirit of welcome. We are looking for 100% participation by tomorrow, September 8th. There is also a paper copy of this survey located in the Commons if preferred.

♦ Scam Alert!

We continue to urge all recipients to disregard and delete any suspicious communications. Please contact the Parish Office, or Mother Stephanie directly, if you have any questions or concerns regarding the validity of e-mail communications.
