

OCTOBER 2026

1. Present: 11
2. Treasurer's Report: \$708.94. The other 5 churches in the "bazaar crawl" will be reimbursing us for their share of the bazaar posters and advertising, so we will get reimbursed for \$149.90 in December when we meet after the bazaar.
3. Discussions
 - Gwen requested we send out cards to several church members and Tana agreed. She specifically mentioned the difficulties Lynn is dealing with and what Lynn has done to still participate while she is away helping family. We also agreed that Tana should let us know when she needs to be reimbursed for stamps and cards.
 - The signup sheet for working the bazaar was available and will be on the table in the Commons each Sunday from now till the Bazaar.
 - We agreed to sponsor the Little Library. Also mentioned was that we might be able to add books from the local "Friends of the Library" in addition to what we have available from bazaar donations that have not sold.
4. Motions
 1. Motion made to buy a reuseably street banner for the bazaar. Cost will be \$45. Linda Schneider moved we buy this, seconded by Maggie McCann. The motion carried unanimously.
5. Today's Program

We had a great presentation from Heather Forrest and Jennifer Sink of Carolina Prime Physical Therapy regarding our Pelvic foundation. It covered a lot of information and all of our questions were answered.

Lunch included carrot soup and there were many requests for the recipe, which is the attached file. Thanks for so many compliments on this soup.

Next Meeting: Nov. 17 to discuss the success of the bazaar (this is the 3rd Monday instead of the 2nd Monday)
