Teen Law Awareness

**Close to 1/3 teens and young adults get arrested by age 23**

**Don't become a statistic**

Every year, teens in Cincinnati are arrested for simple mistakes. Be it staying out past curfew, getting into a fight at school, or leaving the store with an extra item, there are countless opportunities to get into legal trouble. It is our job to know the laws around us so we can stay safe.

## Unless you know the laws, you are at risk of breaking them

\* Entering a park after it has already closed is a crime

\* Teens under 16 must be home by 10 pm

\* Online Impersonation is often illegal

\* A school fight can land you in prison
