

# TENNESSEE HIGH SCHOOL RODEO ASSOCIATION

## WHO WE ARE :

Tennessee High School Rodeo Association is a non-profit 501(c)(3) organization whose primary purpose is to provide safe rodeo opportunities where young people not only advance in their skills of their event, but also grow in character, leadership, responsibility, animal welfare, land management, and other lifelong skills. We are a member of the National High School Rodeo Association and abide by their guidelines. We offer 10 rodeo events as well as cutting, reining, and shooting. Our season begins in September and culminates at our State Finals in June where the top 4 contestants in each event advance to the National High School Rodeo Finals in July.

We are grateful for your support and can assure that you will see a well-run rodeo, highly competitive participants, and an impressive group of young cowgirls and cowboys who have a bright future with supporters like you.

## WHY YOU :

We rely on supporters who would like to align themselves with our values, with our loyal consumer base, and with the western way of life.
