Memories of our first year in 1973

In 1973, Tennessee High School Rodeo began with 48 members (34 boys and 14 girls) at the State Finals held in Jackson, TN. Then next two years, state finals were held in Memphis, TN. For the first 10 years or so, the state finals were the only rodeos held each year. Qualifying rodeos became part of the annual schedule in the fall of 1984.

The first year, there were 3 rounds, including slack and performances over the course of 3 days, Thursday through Saturday, June 21-23, 1973. "THSRA" sent their first team to the National High School Finals Rodeo that year in Ogden, Utah, in August.
