**PRESENT 13 Dec 2025 - 31 Jan 2026.** What is being present ? What can be a present? It is a time of year for reflection, for giving, unwrapping ideas.

37 artists from Glasgow to New York and everywhere in between responded to the Beautiful Materials Gallery brief and created an artwork no bigger than the size A6.

**Agata Pietrusz, Alex Howey, Alison McBride, Anne Corrance Monk, David Belltingham, Despiona Isaia, Elisaveta Conlan, Emily Walkingshaw, Greer Pester, Iain Irving, Iris Kufert-Rivo, Jemima Dansey-Wright, Jo Alice, Joanna Rucklidge, John Nicol, Jonathan Swain, Kevin Harman, Lorna Swinney, Louise Shambrook, Mark Purves, Marney Walker, Matilda Reid, Michael Dudgeon, Natalia Manczak, Nicola Atkinson, Olive Pearson, Pablo Llopis, Rosie Cunningham, Rowena Comrie, Sara Alonso, Sarah Bissell, Saskia Pomeroy, Seth Howe, Sian Patterson, Spencer Dent, Stuart Kerr and Vicki Fleck.**

As the new venture in the Avenues Shopping Centre, I thought it would be the perfect way to introduce a selection of artists to them. An opportunity to support the artists and the gallery, a way of showing mutual thoughtfulness. Throughout the exhibition Present you will be able to meet most of the 37 artists. This will be an informal affair enabling you to chat with the artists one on one.

Beautiful Materials Gallery does not have 'Private Views' we are open every Saturday 10-4 at the Avenue Shopping centre G77 6AA to everyone.

---

Beautiful Materials Gallery's is located in a shop at The Avenue, Newton Mearns, G77 6AA. The mission is to be a public facing art space, that uses the environment of the shopping to engage with the public. We aim to reach out to new audiences and provide a clear dialogue and conversation with them about the exhibiting artists and artworks.

Beautiful Materials is founded by Nicola Atkinson who is an internationally acclaimed artist and curator. She is known for her recent public artwork in Linlithgow. In her artistic life, she has created one hundred and forty seven public art projects, temporary and permanent in villages, towns, cities and museums around the world. Nicola will bring her knowledge and understanding of public artwork and engagement to the gallery.
