|--|---|
| <p>Step 6 Accept the Terms and Privacy Policy. To do this, click the box next to “I’ve read and agree to the Terms & Conditions...” and then choose “Accept”.</p> |  <p>The screenshot shows the 'Terms And Privacy Policy' screen. At the top, there is a compass icon. Below it is a handshake icon. The text reads: 'Terms And Privacy Policy. By tapping Accept, you agree to our Terms and Conditions and Privacy Policy.' A red box highlights the 'Accept' button. Above the button, there is a checkbox that is checked, with the text 'I have read and agree to the Terms and Conditions and Privacy Policy'.</p> |
| <p>Step 7 Allow location access by selecting “Allow Access”. If you do not allow access, you will not be able to access all the features that NTransit offers.</p> |  <p>The screenshot shows the 'Allow location access?' dialog. At the top, there is a map icon with a location pin. The text reads: 'Allow location access? Tap Allow Access to grant permission or go to settings to allow Ntransit to access your location. Ntransit will only share your location with stores and vendors, so they're prepared for your arrival.' A red box highlights the 'Allow Access' button. Below it is the 'Don't Allow' button.</p> |

| <p>Step 16</p> <p>You can turn on Dark Mode for the app if you choose. To do this, tap on the hamburger menu at the top left of the screen.</p> |  <p>The screenshot shows the 'Trips' screen in the NTransit app. At the top left, there is a hamburger menu icon (three horizontal lines) enclosed in a red square. Below the title 'Trips', there is a search icon and a refresh icon. A 'Completed' section displays a trip card for 'Trip 23079531' on 'Mar 14', with the route 'Spring Hill, KS to Coldwater, MI'. The background is a light-colored map.</p> |
| <p>Step 17</p> <p>This menu screen will come up and you will tap on the button next to "Dark Mode" to enable.</p> |  <p>The screenshot shows the settings menu of the NTransit app. The title 'NTransit' is at the top, followed by 'Welcome Silverline Transportation Inc. Driver'. Below this are 'Trips' and 'Settings' sections. In the 'Settings' section, the 'Dark Mode' option is visible with a toggle switch to its right, which is highlighted by a red square. At the bottom, there is a status bar indicating 'Ntransit is tracking location.', a 'Logout' button, and the version 'Ver: 31.3-debug'.</p> |
