

## The Mountain Banjo Song (Broom Cabin)

### Round 1

D D G A (repeat each line)

On my own in Wintertime  
Snowed up in my cabin  
I put a broom against the wall

Give it a hat for its head

I called it *-Shout Your Name-*  
and said to it (pause)

A A G D  
'You look wonderful today'

### Round 2

On my own in Wintertime  
Snowed up in my cabin  
I put a broom against the wall

Give it a hat for its head  
some woollen gloves for its hands

I called it *-Shout Your Name-*  
and said to it (pause)  
'You look wonderful today'

### Add a new line each round

Give it a hat for its head  
Woolen scarf for its neck  
Leather gloves for its hands  
Hardy warm boots for its feet  
A soft check shirt for its back  
Peep hole long johns for its seat  
Trappers trousers for its legs  
An Overcoat to top it all

Add more of your own lines...

Fed it food to fill it up  
Told it jokes to make it laugh  
etc etc

### When you have run out of lines, sing

On my own in Wintertime  
Snowed up in my cabin  
I put a broom against the wall

Give it a hat for its head  
Woolen scarf for its neck  
Leather gloves for its hands  
Hardy warm boots for its feet  
A soft check shirt for its back  
Peep hole long johns for its seat  
Trappers trousers for its legs  
An Overcoat to top it all.....  
.....plus your new lines.....

(pause) And said

'now take my seat beside the fire  
as I go and get some wood'

### ***Narrative Verse***

Now in Springtime 1849  
A trapper found a cabin  
A dressed broom by a fireside  
A man with no clothes frozen outside  
So, he dressed the man back in his clothes  
And buried him by the other graves.....  
Then next Winter, the snow fell  
and in the cabin, the trapper could be  
heard singing...

### **Start the song from the beginning**
