Dear Community Partner,

The Luzerne County Military Affairs Council and Educational Opportunity Centers of PA are sponsoring a Stand Down for our Veterans who are homeless or in need. This event seeks to provide a hand-up to our fellow veterans by connecting to area resources. Along with the connectivity to overcome any barriers, this event provides activities targeted to meet the basic needs as well as the longer-term rehabilitation objectives of homeless veterans.

This Luzerne County Stand Down is set for Saturday, June 13th from 10 a.m. to 2 p.m. at Kirby Park. This Stand Down provides a positive safe environment for our neediest veterans to seek assistance with employment, counseling, housing support, legal issues, health screenings and more.

We are also seeking resource tables-your services are valuable to our veterans! Please call (570) 331-6755 or email carolyn@eocinc.org to sign up.

Our next planning meeting is March 6th at 115 Gateway Shopping Center, Edwardsville. Please consider joining our Planning Committee.

Attached please find information about the Luzerne County Military Affairs Council and visit: www.eocinc.org to see all of the wonderful things that we do in your community.

Sincerely,

The Stand Down Planning Committee
