Itinerary

Introduction

Oz Intro is the perfect start to your Gap Year, Working Holiday or Holiday in Australia.

An awesome group tour and starter package showing you the best of Sydney, and including everything you'll need to live, work and travel in Australia.

It's all about good times, new friends and no worries!

Day 1: Arrive and Meet your Group

Start Point

Meeting Point,

Sydney Airport, Airport Dr, Sydney, New South Wales
2020, Australia

When you land in Sydney after your long flight we'll be at the airport to meet you and take you to the hostel. You'll have plenty of time check in, relax and meet the rest of your group.

Day 2: City Orientation, Jet Boating & Night out

First things first we'll get your bank account organised this morning, so your spending money is sorted. We'll then show you around the beautiful city of Sydney before Jet Boating on Sydney Harbour! It's a great way to see the Opera House, Harbour Bridge and soak up the spectacular views of Sydney. All whilst having a great laugh with your new mates.

Day 3: Private Sydney Harbour Cruise

Today we give you lots of information on travel around Australia, New Zealand and SE Asia before heading out on our private cruise sailing around Sydney Harbour!

Day 4: Bondi Beach and Snorkeling

Today we'll visit the world famous Bondi Beach where you can take a swim or just relax and work on your tan. Then we'll do the Bondi to Coogee Coastal walk. You'll snorkel in secluded bays, play some beach volleyball and enjoy an Aussie beach BBQ and a few cold beers!

Day 5: Learn to Surf and Port Stephens

We'll take you out of Sydney and head north to the stunning Port Stephens. Along the way we'll stop off at a beautiful secluded beach and learn to surf with qualified instructors and real aussie surf dudes! Tonight we'll stay in a uniquely Australian bush bungalow and have a BBQ and bonfire on the beach.

Note: In winter (June, July & August) we replace surfing with a Brewery Tour in Port Stephens.

Day 6: Sand Boarding & Dolphins

Wake up to the sun rising over what feels like real Australia. Feed wild kangaroos, spot wild koalas before tackling the biggest sand dunes in the southern hemisphere on a sand board! After lunch we'll jump on a boat cruise, spot wild dolphins and work on our tans getting towed along the back off our boat. We then make our way back to Sydney just in time for a fun night out on the town!

Day 7: Chill out and get yourself sorted

Today is the day we help sort any or all of your onward travel around Australia. We'll help plan and organise the trip of a lifetime with the new friends you've made!

Day 8: Essential & Work Help, Farewell Dinner

Before Oz Intro finishes we'll make sure all the essential stuff you'll need to live and work in Australia is done. We'll give you a comprehensive 'how to find work' seminar and get you signed up to our Oz Jobs program. Then we'll get dressed up for dinner at Australia's highest and most spectacular revolving restaurant. Enjoy delicious food at the 'all you can eat' buffet where you can even try kangaroo and camel. It's the perfect way to end your amazing Oz Intro experience!

Day 9: Check out and onward travel

End Point

Finish,
Sydney, New South Wales, Australia

Had such an amazing tour and met the most amazing people, all the activities were really fun even when the weather wasn't perfect, we still had a good time! The group leaders were so fun, made you feel at home, we're always attentive and were super helpful even after the tour was over, wouldn't of been the same without them :)

Question & Answers

Can you be roomed with a friend?

If you are travelling with someone then that is no problem at all! Just let us know you are travelling together & we'll link you up so you are in the same group/room.

Do I need a visa?

As a tour booking website, Travel destinee cannot organise visas for you on your behalf as the visa requirements are regularly being updated and vary for the nationality of one traveller to the next. It is for this reason that we recommend checking with your local embassy or consulate website for the latest up to date information.

What are the inclusions on this tour?

This includes all of your accommodation for the week, transport to the activities, all the tours and activities for the week and all the essentials such as your SIM Card, Bank Account, Medicare card and Tax File Number. You'll also get free Internet access at the OzIntro office. The only things which are not included are the flights, food and drink.

What are the optional excursions?

The tour operator has advised that they do not have a list of optional excursions available for this tour, as the itinerary is already packed with plenty of included activities. If you need any help with booking activities when the tour is finished, the tour guides will be there to help out!

When and where does the tour end?

This tour ends in the morning at the Base Hostel in Sydney. There are no activities planned on the last day of the tour, so you are free to depart at any time and if you need any advice for your onward travels, your tour guides will be on hand all day to help you book your next destination.

Do you arrange airport transfers?

An airport arrival transfer is included in this tour, however, if you need to return to the airport at the end of your tour, your group leader will be able to help you arrange a transfer at your own expense.

Is this more of a backpacking or suitcase trip?

I would suggest a backpack as it is easier to move about.

What is the age range?

The age range for this tour is from 18 to 39 years old. This means that children under the age of 18 are not eligible to participate in this tour due to the nature of the tour and the included activities.

Can you assist with booking additional accommodation?

Of course, we can! Once you have a confirmed booking on this tour, we can request additional accommodation for you with the tour operator.

Is there a hotel list available?

On this tour, you will be staying all nights at the Base Hostel in Sydney. The accommodation will be in mixed dorms only for Oz intro guests, so you can get to know your group!
