Itinerary

Introduction

Hong Kong is one of the most densely populated city in the world and located in China's southern coast. Enthusiastic, full of interest things here. Macau is a small peninsula in mainland China and it was Portuguese Empire, across the Pearl River Delta from Hong Kong. An interesting combination of British Colonial Hong Kong and Portuguese influenced Macau but with a distinctive Oriental flavour, these two destinations are separated by only a short ferry ride. Enjoy your trip to Hong Kong and also Macau all together.
