

HMO NETWORK

Let with an HMO Network Member

**A national network of HMO
specialist letting and managing
agents with a shared vision to
drive standards upwards in the
HMO industry.**

Why choose an **HMO Network Member**?

Very different to single lets, HMO properties require specific skills and resources. By selecting an HMO network member, you will benefit from the following:

Professional HMO managing agents

All agents are experienced, qualified and trained to the highest standard to provide a professional service for HMO properties.

Credible agents

Our members are carefully selected and undergo an application process to ensure they meet our high criteria including having the correct insurances, client money protection and the right credentials.

Experts in HMO management

Benefit from expert advice and guidance for your HMO property. The HMO regulations and the licensing criteria are specific, our members will make sure it is compliant.

Part of a larger network

The HMO network is nationwide and allows our agents to access training and compliance tools to ensure efficiency and best practice.

Access to knowledge sharing

Members are able to gain and share knowledge that will enhance and provide a better service for landlords.

Independent agents

We are a network of independent agents, you will not be seen as just another landlord. You will receive a service where your needs are listened to and where you will be dealing with local area experts.
