Dear Prospective Client:

We hope it has been a wonderful year for you and your loved ones. It is now time to wrap up our planning for 2024, start assembling and organizing the necessary information to properly complete your 2024 tax return and begin planning for 2025.

To assist you in meeting these objectives, we have included a tax planner customized specifically for you and a memo highlighting many of the important changes in the tax laws that may affect you. As you go through the planner, please keep the following in mind:

1. If any information does not apply to you or is incorrect, simply cross it out or make any necessary corrections.
2. Please be as detailed as possible. Keep in mind that the more information you supply and the better prepared you are, the more accurate your return will be and the greater chance we have to save you tax dollars.
3. If you have any questions or need assistance in completing the planner, please don't hesitate to contact us.
4. For those of you who have an active LLC, please pay special attention to the questions regarding the Beneficial Ownership Information Report.

Tax planning continues to become much more complex and requires an examination of facts and circumstances. The tax laws continue to become increasingly complicated so it is important that we work as a team to save you the most tax dollars possible. If you need further assistance in personal and/or business planning, we offer a broad range of tax, accounting, computer, financial and consulting services and would gladly discuss this with you.

We wish you and your loved ones a happy and safe holiday season and hope the outlook for the coming year is a bright one.

Sincerely,

Neil S. Kahn
