Message from the President

Message from the President

Culcairn is experiencing a great season with the whole landscape looking beautiful and green, after a perfect autumn start. In my third year as Show President, I (along with the Committee), am optimistic and excited to welcome people from our community and surrounding districts to the annual Culcairn Show.

We continue to work very hard to exceed our efforts from the last few years by bringing new rides and other attractions to our event. This year we are excited to welcome local talent, Ellie Mazzocchi, to present her trick riding show which always receives positive revues when she performs and is sure to impress us all. The ever-popular show shearing competition will again return. Many can also look forward to the re-appearance of horse events on the main arena as another attraction.

Again, we must thank ALL our sponsors and supporters. Without their continual involvement we would not be able to provide such a great day for families. Please continue to support these local businesses who generously support us every year.

My thanks are also extended to the hard-working members of the committee who have worked tirelessly to develop the program over the last 6 months. Also, thanks to the volunteers who give so much of their time to make this a great event. We are hoping to involve more members of the community in our show. If you would like to volunteer, please make it known to myself or a committee member.

I would also like to recognise the recipients of some special award winners from last years show. Andrew Thomson received the RAS Medal for his many years of support to the show, while Ruth Scheetz and Bridget Hogg were awarded Life Memberships to the Culcairn Show Society for their efforts over an extended time.

Enjoy the day!

Andrew Godde
