COVID19 requirements at Culcairn Show

The Culcairn Show Society will do all it can to meet the requirements concerning COVID health requirements and regulations at our October 2025 show.

If you are or feel unwell, please do not attend the show in the interest of the health of other attendees.

Message from the President

Message from the President

Culcairn is experiencing a good season with the whole landscape looking beautiful and green, after a slow, dry start. In my second year as Show President, I (along with the Committee), am optimistic and excited to welcome people from our community and surrounding districts to the annual Culcairn Show.

This year we are working very hard to exceed our efforts from the last few years by bringing new rides and other attractions. These include a Country and Western Singer, and the ever-popular show shearing competition, kids sport activities on the main arena and the return of horse events to the main arena.

Again, we must thank ALL our sponsors and supporters. Without their continual involvement we would not be able to provide such a great day for families. Please continue to support these local businesses who generously support us every year.

My thanks are also extended to the hard-working members of the committee who have worked tirelessly to develop the program over the last 6 months. Also, thanks to the volunteers who give so much of their time to make this a great event. We are hoping to involve more members of the community in our show. If you would like to volunteer, please make it known to myself or a committee member.

I would like to also acknowledge significant awards presented to members of the society in 2024. Max Scheetz received the Royal Agricultural Society Medallion for long service to the society and Life Membership of the Society was awarded to Karenne Dugan, Cecily and Stephen Trickett for many years of service to the society.

Enjoy the day!

Andrew Godde
Show President 2025

The Culcairn Show Society recognises the contributions of John Knobel and Neville Feuerherdt, who both passed during 2025.
