

MYERTOWN PANTHERS *cheerleading*

 LIZ MARTIN - PRESIDENT  STEVIE DOMAGALSKI - VICE PRESIDENT  TONYA GOODISON - TREASURER  JESSICA GALZARANO - SECRETARY

Welcome to MPC!

We are so glad that you and your child are joining us for this 2026 season. We just want to give you a little bit of information about the season and what to expect. First and foremost, we are excited about getting to spend the next couple of months working with your child and getting to know them. We really try to cut the cost to make it more affordable for everyone. Therefore, we will be continuing the Cheer Kit package from previous years.

Registration: \$50 after 4/1/2025

Cheer Kit: estimated cost for new cheerleader around \$276

Your child is asked not to wear the uniforms except for game days/competitions or when instructed by a coach for a special group event. The uniforms belong to the organization; therefore, it must be kept clean and free of any mess. If a uniform is not returned in the condition it was received, you forfeit your uniform deposit.

Camp

This year's camp will be **August 13th and 14th 2026** in Lititz. This camp is required by all cheerleaders in the season. There is a lot of material learned and bonds formed during this time that is found to be valuable to our season ahead.

Competition

This year BAYCL comp is **November 7th 2026** at Conrad Weiser.

This is mandatory by all cheerleaders. We are also aiming to be in an extra competition as well. This will most likely occur around October/November. More information closer to date.

Forms

Access/copies to all forms and paperwork will be uploaded to the band app

<https://band.us/band/90456403>

A confirmation paper will be given to each of the parents to keep track that every cheerleader was given the forms needed for the 2026 Season.

We look forward to having an AMAZING season!!!!
