

## Medi-Cartridge™ system

The Medi-Cartridge™ system is used to dispense medicants from 300 ML cartridges in dosage volumes ranging from 5 ML to 15 ML. The Medi-Cartridge™ barrels have a three-lug bayonet fitment designed for stable, accurate dispensing. The cartridges offer three different lengths of nozzles suited to specific dispensing criteria. All nozzles feature snap rings for a secure cap fit. Seals can be installed in the cartridge barrels and labeling can be completed using customer provided pressure sensitive labels.

## Mini-Cartridge™ system used as Instrument

The Mini-Cartridge™ system is composed of the cartridge barrel, seal and cap. The cartridge barrels have a three-lug bayonet fitment designed for stable, accurate dispensing. The capacity of the system ranges from 35 ML to 120 ML and can deliver product by means of injection or oral delivery. Mini-Cartridge™ is offered with 5 nozzle styles and dosage volumes ranging from 1 ML to 5 ML.

When using the Mini-Cartridge™ system as an instrument, a clear polypropylene barrel with decoration increments in ML or CC allows the user to see contents in the barrel. Unused product in the barrel can be capped for later use. Mini-Cartridge™ barrels and seals can be reused many times exercising proper hygiene methods. When using the luer slip nozzle, "The Collar" can be placed over the needle to provide protection and prevent needle damage.

## Mini-Cartridge™ system used as Container

When using the Mini-Cartridge™ system as a container, an opaque polyethylene barrel is used for oral or topical applications.

Medi-Cartridge™ and Mini-Cartridge™ systems can be manufactured to meet customer's specific needs, including custom colors. We work directly with R & D Managers, Production Managers and Engineers to invent and design high quality products.

**300 ML MEDI-CARTRIDGE™  
APPLICATOR**

**35 ML MINI-CARTRIDGE™  
APPLICATOR**

**60 ML – 80 ML MINI-CARTRIDGE™  
APPLICATOR**

**100 ML – 120 ML MINI-CARTRIDGE™  
APPLICATOR**

**300 ML MEDI-CARTRIDGE™**

**Available Nozzles:**

Long Nozzle (300L),  
Short Nozzle (300S),  
Super Short Nozzle (300SS),  
Long Nozzle - Tapered (300L-T),  
Super Short Nozzle - Tapered (300SS-T)

**Standard Material:**

High Density Polyethylene (HDPE)

**Available Seals:**

Long Nozzle (300S10),  
Short Nozzle (300S10),  
Super Short Nozzle (300S10),  
Long Nozzle - Tapered (300S10-T),  
Super Short Nozzle - Tapered (300S10-T)

**Available Caps:**

Long Nozzle (C300L),  
Short Nozzle (C300S),  
Broad Nose (C28300SS)

**35 ML MINI-CARTRIDGE™**

**Available Nozzles:**

Luer Slip (B13), Luer Lock (B14),  
Paste Tip (B15), Long Nose (B12),  
Broad Nose (B28)

**Standard Material:**

Polypropylene, HDPE

**Available Seals:**

35RST, 3236S10, 3236S101

**Available Caps:**

Luer Slip (C13), Luer Lock (C14),  
Paste Tip (C15), Long Nose (C12),  
Broad Nose (C28300SS)

**60 ML MINI-CARTRIDGE™**

**Available Nozzles:**

Luer Slip (B13), Luer Lock (B14),  
Paste Tip (B15), Long Nose (B12),  
Broad Nose (B28)

**Standard Material:**

Polypropylene, HDPE

**Available Seals:**

6080RST, 6080S10, 6080S101

**Available Caps:**

Luer Slip (C13), Luer Lock (C14),  
Paste Tip (C15), Long Nose (C12),  
Broad Nose (C28300SS)

**80 ML MINI-CARTRIDGE™**

**Available Nozzles:**

Luer Slip (B13), Luer Lock (B14),  
Paste Tip (B15), Long Nose (B12),  
Broad Nose (B28)

**Standard Material:**

Polypropylene, HDPE

**Available Seals:**

6080RST, 6080S10, 6080S101

**Available Caps:**

Luer Slip (C13), Luer Lock (C14),  
Paste Tip (C15), Long Nose (C12),  
Broad Nose (C28300SS)

**100 ML MINI-CARTRIDGE™**

**Available Nozzles:**

Luer Slip (B13), Luer Lock (B14),  
Paste Tip (B15), Long Nose (B12),  
Broad Nose (B28)

**Standard Material:**

Polypropylene, HDPE

**Available Seals:**

6080RST, 6080S10, 6080S101

**Available Caps:**

Luer Slip (C13), Luer Lock (C14),  
Paste Tip (C15), Long Nose (C12),  
Broad Nose (C28300SS)

**120 ML MINI-CARTRIDGE™**

**Available Nozzles:**

Luer Slip (B13), Luer Lock (B14),  
Paste Tip (B15), Long Nose (B12),  
Broad Nose (B28)

**Standard Material:**

Polypropylene, HDPE

**Available Seals:**

6080RST, 6080S10, 6080S101

**Available Caps:**

Luer Slip (C13), Luer Lock (C14),  
Paste Tip (C15), Long Nose (C12),  
Broad Nose (C28300SS)
