The Inspired Scholar, LLC Policies 2018-2019

Registration

An annual, non-transferable, and non-refundable registration fee is required **for each family per year**. Enjoy the most savings by signing up early. Registration saves your child's place in class.

\$35 (April-May)

\$45 (June-July)

\$55 (Aug.-Sept.)

Classes

Instructors do not replace homeschooling parents, but assist them in their educational endeavors. Parents should plan to be involved and oversee their child's work and that they are submitting assignments on a timely basis. Course instruction must be completed by the end of the semester or year (for year-long) courses.

All homework assignments are submitted online through Canvas. Assignments, grades, and calendar are found on Canvas. **Each child needs his or her own account**. Parents **do not** need a separate account as you can use your child's login to view their records.

Assignments must be submitted as completed. Students should not submit the next assignment until feedback is received from the instructor. Instruction builds upon previous lessons. What is learned in each lesson should be applied to the next assignment.

Computer Requirements

Students must have a high-speed internet connection and the ability to submit Word documents. Those who use Apple computers (Mac) must convert documents to Word.

Tuition

Tuition is paid online and is non-refundable. Payments are processed through PayPal, but it is not necessary to have a PayPal account. Although tuition may be paid monthly, enrolling in a class is a commitment to pay through the current semester. Paying for the first month's tuition constitutes enrolling in a course. A 10% discount is offered to those who pay by the semester. Multiple child discounts are available for those who have three or more students enrolled. A 10% deduction is offered on the third and youngest student.

Late Fees

Monthly tuition is due the first Monday of the month in: Aug., Sept., Oct., Nov., and Jan. Feb., Mar. and Apr. *Semester tuition* is due the first Monday of the month in August and January.

A late fee of \$15 per week is assessed until payment is made. If tuition is 4 weeks late, the student will be dropped from the course and tuition for the entire semester and the late fees will still be owed.
