

## **A Resolution in Opposition to Any Mandatory Vaccine Policies**

WHEREAS: The Constitutions of both the United States and the State of Washington guarantee the right of citizens to be secure in their person and property.

WHEREAS: Sensitive patient health information is protected from disclosure by the HIPAA law.

WHEREAS: Numerous medical professionals have issued concerns and warnings about negative effects of vaccines, both short and long term.

WHEREAS: Medical decisions should not be mandated or enforced through legislative action.

WHEREAS: The COVID 19 vaccinations were rushed into production with a limited time for human trials.

BE IT RESOLVED: The Okanogan County Republican Party will strongly oppose any attempt to require mandatory vaccinations or gene therapy as a condition for any public interaction, work, travel, healthcare or to receive any type of government program or assistance; whether mandatory vaccination be enacted by executive action, legislation, proclamation or policy making actions.
