

Resolution to Oppose the Teaching of Critical Race Theory

WHEREAS, Critical Race Theory (CRT) is founded on dishonest accounts of American history, but is being taught to American students, American governmental agencies, and American corporate institutions and boards; and,

WHEREAS, CRT attempts to divide people along the lines of race, ethnicity, and socioeconomics in opposition to the individual freedoms endowed on all people by our Creator to live a full and prosperous life; and,

WHEREAS, CRT is antithetical to the doctrines and principles proclaimed in our Declaration of Independence "...that all men are created equal...", defended by a Civil War to abolish slavery, and codified into federal law by the Fourteenth and Fifteenth Amendments to the US Constitution, the Civil Rights Act of 1964, and the Voting Rights Act of 1965, as well as countless other laws, regulations, and rules at every level of government; and,

WHEREAS, CRT denounces the "equality" espoused in our founding documents as camouflage for white supremacy, patriarchy, and oppression, and replaces it with "equity" which is little other than reformulated Marxism; and,

WHEREAS, CRT is an insult to the intelligence and the integrity of people of color by postulating that they don't have the ability to compete in the American system without special privileges or advantages that work to the detriment of ALL people; and,

WHEREAS, any success of CRT instruction will result in the removal of the only remaining tool to insure "equality" of ALL people, capitalism, since capitalism and Marxism cannot coexist; and,

WHEREAS, CRT attempts to enslave the people under a system of governmental tyranny in direct conflict to the freedoms we now enjoy; therefore,

BE IT RESOLVED, that the Okanogan County Republican Party (OCRCP) opposes the teaching of CRT to students in ANY educational institution in Okanogan County to avoid the harassment and demonization of ANY of our children along racial, ethnic, or socioeconomic lines; and,

BE IT FURTHER RESOLVED, that the OCRCP opposes instruction of CRT at ANY governmental institution in Okanogan County, since discrimination on the basis of race, religion, sexuality, etc. is illegal; and,

BE IT FURTHER RESOLVED, the OCRCP concludes that CRT has no place in a society that promotes opportunity for all, individual freedoms, constitutionally guaranteed rights, and a constitutionally guaranteed republican form of government, "one nation under God, with liberty and justice for all"; and,

BE IT FINALLY RESOLVED, that the Okanogan County Republican Party rejects and denounces ANY and ALL racial superiority or supremacy.
