Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.

2. **This sale is NOT an approval sale.** Attribution, date, condition and other descriptions are the opinion of the cataloguer, and no warranty is expressed or implied. Third party certified coins cannot be returned. **FLOOR BIDDERS MAY NOT RETURN ANY LOTS** including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 30 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIM OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 30 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. **Lots are not shipped until paid for in full.** Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact. ***Large miscellaneous, bulk and multi-coin lots cannot be returned for any reason.***

3. **Successful floor and mail bidders are required to pay the full invoice amount before lots are delivered. Terms of this sale are strictly cash.**

   ***Please note: Should payment be made by check (in any form), the auctioneer reserves the right not to deliver lots until funds have cleared, usually 14 business days.** New clients are required to provide first rate credit references and a 25% deposit to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale. Any questions regarding this policy should be made in writing to the auctioneer 7 days prior to the sale date. Please contact us.

4. Overseas Bidders Only: Please bid in **U.S. Dollars**. Payment can be made via an agent in the U.S.A. or by wire transfer with a small added service charge. Paypal auction invoices are available with a **Buyer's Premium of 20%.** All non-credit card forms of payment receive our standard 17.5% Buyer's Premium.

5. **A 17.5% buyer's charge will be added to the successful bid price of each lot.** This 17.5% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 5% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogs.

6. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in **U.S. Dollars** by an acting agent in the USA or by wire transfer, with fees to be bourne by the bidder.

   SHIPPING & INSURANCE on everseas parcels is at the buyer's expense. Please provide accurate contact and shipping information. All items will require Express Mail Insured or Registered shipping service depending on value as well as fully detailed customs declaration.

7. Bidders personally guarantee payment for their successful bids, including bidders executing commission bids from other parties and bidders representing corporations or other entities. Buyers accepting commission bids from other parties do so at their own risk and remain responsible for payment under these Auction Terms.

8. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. *(Minimum charge of $6.00 per parcel)*. All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made.

9. SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented. **Sales Tax in the amount of 6% will be collected on all lots delivered within the State of Michigan.**

10. TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below **60% of estimate** will not be accepted. By placing a bid in this sale either in person, by agent, mail, email, phone or fax, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.
