IMPORTANT AUCTION INFORMATION

OVERSEAS BIDDING

Overseas bidders are always welcome and we are happy to assist you any way we can to be competitive with those here in the United States. Please bid in US Dollars and make every effort to provide accurate contact and shipping information. Payment can be made via an agent here in the USA or by wire transfer with a small added service charge. All items will require Express Mail Insured or Registered shipping service depending on value as well as fully detailed customs declaration.

LOT VIEWING & PHOTOGRAPHS

Lots may be inspected *by appointment only* and *only prior to* the sale date. There will be NO LOT VIEWING AT THE AUCTION SITE on the day of the sale. Please call well in advance to schedule an appointment. Viewing can be scheduled in advance and by appointment only in our offices. Should you wish to obtain an image online for single items not photographed in the catalog, please email us at numauctionsllc@aol.com with your requests. We will be happy to help you with reasonable inquiries. If you have multiple lots or bulk lots you would like to see, feel free to call and schedule a private viewing appointment as these cannot be easily photographed. We can also provide detailed verbal descriptions over the phone or via email. We have made every effort to accurately and fully address the content and condition attributes of each & every lot.

LOT DELIVERY AND PICKUP

Successful absentee, phone, mail or email bidders will be sent an invoice roughly 7-10 days following the sale and lots will be shipped following receipt of payment. Lots purchased in this sale by local bidders may be picked up the day of the sale following each session or the weeks following the auction at our office, please call in advance for an appointment to pick up lots. No credit card payments are accepted onsite and no lots will be delivered until paid for in full. We reserve the right to retain possession of the lots until funds have cleared and ship the material at that point if you have not conducted business with us before. Please bring your Michigan resale tax ID for purchases other than coins. Please make certain we have your email address for fastest invoice service.

TELEPHONE, FAX AND EMAIL BIDDING

Your absentee bids will be accepted by phone, fax, mail & email until **Friday, Nov. 20, 2020 at 5:00 PM E.S.T.** We take all calls at 517-394-4443 or by fax at 517-394-0579. Absentee bids are accepted only prior to the public sale sessions. Please bid early to insure your bids are posted. Tie bids are always awarded to the earliest bidder. Bidding by fax and email will also be accepted until 5:00 PM E.S.T. **Friday, Nov. 20, 2020** by fax at 517-394-0579 and by email at numauctionsllc@aol.com, so no form of faxed or emailed bidding will be available or accepted after this time. Call volume is very high the week before the auction closes so please contact us early!

UPCOMING 2021 AUCTIONS & CONSIGNING

Consignment space is filling up rapidly for our Spring 2021 Auction Sale #66 and the deadline is **Jan. 15, 2021**, so please contact us immediately if you have an interest in participating. You may always feel free to call or write at any point with your questions about consigning. We will travel to pick up larger collections at no charge to you and can also provide you a cash settlement option for your coins or a possible cash advance.

A NOTE ABOUT COVID-19

With the rapidly changing circumstances involving Covid-19 outbreaks, we may have to make unforeseen changes if Michigan has a new lockdown order or travel/gathering restrictions. We are not responsible for travel expenses or rescheduling of dates to comply with pandemic protocols. Masks and social distancing will be required by health regulations, sanitization stations will be provided at the sale.

TERMS OF SALE
(Please Read Carefully)

1. BIDS BY MAIL, EMAIL, PHONE or FAX will be accepted until the closing date, or as detailed within this catalog. All phone bids must be confirmed in writing on a signed bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.

2. **Items are sold AS IS.** Attribution, date, condition and other descriptions are only the opinion of the cataloguer, and no warranty is expressed or implied. Third party certified coins cannot be returned for any reason. **FLOOR BIDDERS MAY NOT RETURN ANY LOTS** including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 30 days after a sale. As the auction house acts as an agent for various consignors, **NO CLAIM OF ANY KIND** can be considered after settlements have been made. If a claim is not made within this 30 day period, NO lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. **Lots are not shipped until paid for in full.** Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact. **Chinese lots and all other miscellaneous, bulk, fantasy & multi-item lots are all NO RETURNS FOR ANY REASON.*

3. **Successful floor and mail bidders are required to pay the full invoice amount before lots are delivered. Terms of this sale are strictly cash.**

*****Please note: Should payment be made by check (in any form), the auctioneer reserves the right not to deliver lots until funds have cleared, usually 14 business days.** New clients are required to provide first rate credit references or a deposit to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale. Any questions regarding this policy should be made in writing to the auctioneer 7 days prior to the sale date. Please contact us.

4. Overseas Bidders Only: Please bid in **U.S. Dollars.** Payment can be made via an agent in the U.S.A. or by wire transfer with a small added service charge. We do not accept credit card payments for lots. Special payment arrangements for wire transfer funding must be made in advance and extra charges will apply in many cases.

5. **A 17.5% buyer's charge will be added to the successful bid price of each lot.** This 17.5% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 5% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogs.

6. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in **U.S. Dollars** by an acting agent in the USA or by wire transfer, with fees to be borne by the bidder.

SHIPPING & INSURANCE on overseas parcels is at the buyer's expense. Please provide accurate contact and shipping information. All items will require Express Mail Insured or Registered shipping service depending on value as well as fully detailed customs declaration.

7. Bidders personally guarantee payment for their successful bids, including bidders executing commission bids from other parties and bidders representing corporations or other entities. Buyers accepting commission bids from other parties do so at their own risk and remain responsible for payment under these Auction Terms.

8. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. (*Minimum charge of \$6.00 per parcel*). All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made.

9. SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented OR if purchases are being made for future resale and not for final use or consumption. Documents must be signed and submitted to this effect with payment before lots will be delivered.

10. TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below **60% of estimate** will not be accepted. By placing a bid in this sale either in person, by agent, mail, email, phone or fax, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.

11. Items photographed are of the actual items being sold.

12. **BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.**

Hibernia ½ Penny, 1723, VG+, cpl lt rbs; Washington & Independence Tokens, 1783(2), cldnd VG and VF, the first with pin scs and the second slightly porous; New Jersey, 1786, Fine, roughness and granularity, cpl digs plus Horace Grant Rhode Island Ship Medal Restrike, 1779(1936), holed EF. 5 pcs.

- 2P. Fugio Cent, 1787. States United, 4 Cinquefoils. Beautiful chocolate brown PCGS Gold Shield AU58, with claims to Mint State. A historic and desirable example of this popular issue.

- 3P. North West Company Token, 1820. Brass. Breen-1083. PCGS Genuine, VF details, Environmental Damage and holed. Only a handful of these exist unholed or unimpaired. Red Book listed and always in demand, a legendary numismatic relic of the fur trade, the Hudson Bay Company and Native American commerce. Rare.

Half Cents

- 4P. **Remarkably Nice First Year Half Cent Rarity.** 1793 Liberty Cap. C-1. PCGS VF25 CAC green bean designation. Smooth brown surfaces and lovely color, typical slightly soft strike at center reverse. A wonderful type example of our first Half Cent.

Consigning is an easy process! You can ship your coins directly to us or visit our offices.

We also travel for larger collections and are more than happy to assist you in listing your material.

- 5P. 1794 Liberty Cap. C-2a, Die State III. PCGS XF45, dark chocolate brown color and a very sharp example of the variety, a few scattered old marks and tiny surface inclusions.

- 6P. 1794 Liberty Cap. C-4a, variety designation on holder insert PCGS VF35, very select smooth medium-dark brown and a very strong for the grade.

- 7P. **Superbly Preserved High Relief Portrait Half Cent.** 1794 Liberty Cap. C-9, Die State II-III. PCGS AU55 CAC green bean and an absolutely stunning example of the High Relief portrait. Gorgeous color, luster and eye appeal with PQ surfaces.

8. 1794 Liberty Cap, sharpness of VG/AG, some random old marks and 1797, Plain edge, dark brown VG, nearly indiscernible bend and numerous old scattered marks, bold date and obverse detail for the grade, still a representative example. Also, 1804 Croslett 4, Stems and 1806 Small 6, No Stems. Avg aVF-VF by wear, some typical minor surface impairments. 4 coins.

- 9P. 1795 Liberty Cap, No Pole, Plain Edge. C-6a. PCGS XF40 CAC, razor sharp and desirable for the grade and variety.

10. 1804, Crosslet 4, Stems, NGC VF30BN and 1825, C-1, early small holder ANACS EF45, a scarce variety in better grades. 2 coins.

11. 1804 Plain 4, No Stems, VF, cpl small old marks, trace verdigris; 1809 over inverted 9, Fine-VF; 1809 Recut O, dark F-VF, verdigris; 1825, Choice VF-EF; 1828 13 Stars(4), VG to VF, cpl minor problems; 1834, F-VF and 1835(2), VG and dark Fine. Also, Large Cent, 1852, VG. Some typical mild impairments yet a pleasing collector grade lot. 12 coins.

12. 1805 Small 5, No Stems, colorful yet retoned VF-EF; 1806 No Stems(3), one handsome glossy dark brown VF, a second example F-VF pin scs and a third in VG/G minor flattening rev; 1808, F-VF, lt verdigris, mks rev; 1809, cldn/retoning once lacquered VF-EF; 1832, recolored EF-AU, small indent obv field and 1857, Key date, glossy EF, areas of dark verdigris and carbon adhesions. 8 coins.

13P. 1806. Large 6, Stems. C-4. PCGS MS62RB early blue tag holder. Nice red and brown color with luster in protected regions, cpl small toning spots mellowed with age.

14. 1809(2), avg dark brown Choice EF to EF-AU a few faint old mks/scs, one with tiny flan clip as made and 1835(2), avg glossy brown AU to Choice AU, one with trace of verdigris reverse. 4 coins.

15. 1809, 1826, 1828 13 Stars, 1829(2), 1833(2), 1834, 1835(3) and 1851 plus Hard Times Half Cent Token, 1837. Good-VG to VF, more than half grading VF; others mostly VG to Fine, many with mks, scs or minor problems, cpl nice. Viewing advised. 13 coins.

16. 1826, VF; 1828 12 Stars aVF, old cleaning; 1828 13 Stars, VF-EF and 1833, VF-EF, trace verdigris reverse; 1834 & 1835, avg VF and 1853, Fine, a few with lt old marks. Also, Coronet Large Cent, 1838, Choice VF-EF, nice. Inspection recommended. 8 coins.

17P. 1828 13 Stars. PCGS MS63BN, nice surfaces, slight die rotation reverse.

18. 1828 13 Stars(2), Choice brown AU, some lt radial contact marks obverse and the second example, Choice EF-AU; 1829, VF-EF, scattered flecks of lt verdigris and 1835(2), the first sharp ebony brown AU, hints of color in devices, the second retoned EF-AU. 5 coins.

19P. 1834. PCGS MS64RB with beautiful originality – ample red, especially present on the obverse.

20P. **Extraordinarily Choice 1841 Proof Half Cent Rarity.** 1841 Braided Hair Original Proof PCGS Gold Shield PR64BN CAC. Exquisite glass-like mirrored fields with stunning iridescent steel to teal blue toning. Prohibitively rare with a reported mintage of only 24 pieces, with the few surviving examples nowhere near this superb state of preservation. An investment quality rarity for the advanced US collector or copper specialist, well deserving of its CAC designation.

21. 1849, glossy chestnut brown Choice AU-Unc, tiny hint of verdigris at edge reverse; 1851, EF; 1855, EF, cpl lt marks and tiny flecks of verdigris plus 1856, glossy Choice AU, cpl small inclusions, otherwise nice. 4 coins.

22. 1849, Choice EF, tiny “I” scribed faintly below chin obverse field; 1851, VF, a few stray marks; 1853, cpl old contact marks; 1854, Choice EF/EF, rn and traces of micro verdigris plus 1855, glossy Choice AU-Unc, cpl very lt rbs. Also, Hard Times Half Cent Token, 1837, brown VF-EF. Interesting lot. 6 coins.

23P. 1855. PCGS early green tag MS64RD CAC green bean approved. Lovely red luster, especially on the obverse, cpl miniscule carbon flecks reverse keep this from a top end grade.

Large Cents

24. 1794, S-67, R3, about VF detail, some long yet old toned in scs obv/rev; 1812, Fine, a few marks and cpl lighter areas obverse; 1814 Plain 4, solid VG and 1837, VG-Fine. 4 coins.

25. 1794, damaged VG+/AG, lead deposit at center of reverse and additional 1794(2) and 1796 Liberty Cap types, Fair obverses with Poor reverse detail, the first two with legible yet weak dates and minor damage – the last with a bold clear date and a pleasing planchet; 1798, dark VG, fine porosity, reverse digs; 1812, sharpness of VF, edge damage and indents; 1831, VG, corr and 1849, recolored AU. 8 coins.

26P. **Stunning Mint State Early Large Cent Condition Rarity.** 1795 Liberty Cap, Plain Edge. S-78. NGC MS63BN with attractive color and sharply struck. A lovely Federal period Mint State Copper on a remarkably high quality planchet for the era.

27P. 1797. First Hair Style, Reverse of '97, Stems. S-139. AU to nearly Unc, an old rim bruise between 12 and 1 o'clock obverse and cpl typical minor surface pits/blemishes keep this from a higher grade. Handsome deep, dark chocolate brown color and very sharp, worthy of a strong bid.

28. 1797(4), the first VG-Fine, patches of old pitting & pin scs obverse along with an additional pair, avg G-VG, both with porosity and minor old damage plus a fourth example having similar detail, yet with edge cuts/damage, scs and corrosion; 1800, 1802(2), 1803, 1806, 1807, 1813(2) and 1816(3). Avg AG-Good to VG, typical surface issues/impairments, cpl with old scs or marks. Viewing advised. 15 coins.

29. 1798, S-187, somewhat granular VF-EF, trace of old cleaning and light tooling, including areas about the edge, quite sharply detailed and 1803 Small Date, Large Fraction, S-260, glossy dark brownish-black bold VF, hints of very lt verdigris. 2 coins.

30P. 1814 Crosslet 4. PCGS VF20 and very PQ for the grade with a beautiful deep chocolate brown flan. Great type coin.

31P. 1814 Plain 4, S-295. NGC AU55BN with embers of red in devices. A really exceptional type example and final year of the design.

32. 1816(2), VF, slight roughness and VG-Fine; 1818, VG-Fine and 1833-1837(one each year) plus 1838(2), avg bold VG-Fine to sharp Fine-VF. Some lt verdigris or uneven toning, otherwise a pleasing group of Coronet Cents. 10 coins.

Consigning is an easy process! You can ship your coins directly to us or visit our offices. We also travel for larger collections and are more than happy to assist you in listing your material.

33P. 1826. PCGS AU53 with boldly doubled profile and date. Beautiful deep brown surfaces with deep bluish-violet iridescence. Very PQ for the numeric grade, slab slightly hazy.

34P. 1839 Booby Head. N-13. Older NGC slab as MS63BN with lovely color and surfaces that appear nicer than the assigned grade.

35. **Collector Grade Coronet Large Cent Selection.** Includes: 1817-1819(4ea), 1820(2), 1821(4), 1822(3), 1824, 1825(7), 1826(3), 1827(4), 1828(2), 1829, 1830(3), 1831(4), 1832(2), 1833(2), 1834(3), 1835, 1836(4), 1837(5), 1838(9) and 1839(2). AG-Good to Fine, mostly G-VG with commonly encountered surface issues/impairments for the grade, cpl slightly more problematic but a largely presentable group for retail, internet or program use. 76 coins.

36. 1839, Petite Head of 1840, N-8, aEF-EF; 1842, Small Date, Choice AU detail, some faint old hairlines/brushing obv and a tiny pin sc near the date – otherwise nice; 1849, N-20, Choice EF along with a somewhat lesser grade ensemble from 1845, 1850, 1851, 1852 and 1854, avg F-VF to VF+, some with old marks or minor demerits. Neat grouping. 8 coins.

37P. 1840 Small 18 over Large 18. N-2. Beautiful brown Borderline Unc-Unc, glossy with nice eye appeal and mostly mark-free fields. Very scarce this nice and sought after.

38. 1840, 1842, 1845(2), 1847 repunched date, 1848, 1851(2), 1852-1854(one each) and 1856. Fine-VF to Choice VF-EF, a few very minor typical surface variations or anomalies but quite a nicely detailed run. 12 coins.

Questions on a lot? Set up an appointment to view lots in the privacy of our offices today. Evenings & weekend times are available and lots can be viewed only prior to Auction Day. Lot viewing in person can give you a bidding advantage over those who do not view!

39P. 1841. Handsome chocolate brown Choice AU with advanced die cracks encircling the obverse. Neat example and die state.

40. 1842, Large Date, NGC AU55BN and 1855 Upright 5's, NGC AU55BN. Nice pairing. 2 coins.

41P. 1844/Inverted 184. N-2. NGC MS62BN. Handsome and glossy chocolate brown glass-like fields. Rare variety and grade.

42P. 1844. N-5. Chestnut brown Unc, nice surfaces.

43P. 1845. N-5. PCGS MS63BN. Olive brown with hints of color and nice luster.

44P. 1846 Small Date. Lovely steel-brown Unc. Ex: Cnayham & Ashby.

45P. 1847. N-19. Pleasing red and brown Unc to Choice Unc, much color present in the devices.

46P. 1848. N-22. Choice to Gem Brown Unc, sharply struck and glossy. Ex: Dan Holmes/Robbie S. Brown Collection, Lot 294 - at one time noted as 4th finest known.

47P. 1849. N-3. PCGS MS65BN CAC green bean with hint of red around the design elements. Nice pre-1850 type coin and a scarcer die variety as well.

48P. **Gorgeous Gem Full Red Braided Hair Cent Enigma.** 1850. Gem brick Red Unc, well struck & original surfaces with nice luster and a notable lack of carbon flecking or impairments. Should certify well and incredibly attractive.

49P. 1850. PCGS MS65BN, very handsome bluish-violet with much underlying red reverse.

P Denotes a lot that is Photographed, Images may be enlarged or reduced in size

1851

50P. **Lofty Grade Gem 1851/81 Large Cent.** The Key 1851/81 blundered date N-3 variety Braided Hair Large Cent. NGC MS66BN with hints of glowing red in devices, gorgeous pearly bluish-brown luster and razor sharp strike. Tied for finest in NGC Brown designation, residing in an earlier holder.

51P. 1851. N-29. PCGS MS65RB and mostly red with an impeccable strike. *Ex: Naftzger Collection on insert and nearing the top of the census.*

52P. **Top Pop Pearly Purple & Red Gem Cent.** 1852. N-11. NGC MS66RB, mostly red with a faint blush of violet and mesmerizing color, lustrous surfaces & cartwheel, this being the finest graded at NGC for the variety.

53P. 1853. NGC MS64RB, housed in an earlier slab variant.

54P. 1854. N-26 designation on tag. NGC MS66BN, nearing the top of the condition census with only a few finer.

55P. **Special Knob Ear Condition Census Gem.** 1855 Knob Ear Slanted 5's. N-9. PCGS MS64RB with fabulous color and strike. Only a small number graded in this quality – looks Gem and very tough in RB.

56P. 1855 Slanted 5's. N-10. PCGS MS64RD CAC. An exquisite strike and level of preservation.

57P. 1856. Slanted 5. NGC MS66BN. A lovely example with traces of red amid the devices, certainly a CAC candidate. In the peak of the census curve with only a few finer.

58P. 1856. Upright 5. N-12. PCGS MS65BN, desirable surfaces and brick red in protected areas. Very tough this nice.

59. **Vintage Partial Large Cent Album Collection, 1796-1856.** Features nearly all different date Draped Bust(9), Classic Head(2), Coronet(23) and Braided Hair(14) Large Cents. Avg circ to VF, mostly Good-VG, readable dates and only a duplicate or two present in the wrong spots. Some typical surface issues or minor problems, cpl damaged here and there, overall an interesting and fun group, unresearched for varieties. Housed in a 1960's Whitman album with cpl taped in coins in flips inside the front cover. Viewing advised. 48 coins.

60. **Cool Old-Time Meghrig Board Coronet and Braided Hair Large Cent Collection, 1816-1857.** Complete by date with several "Redbook" varieties, cpl duplicates fill an occasional incorrect slot as usually encountered, all housed two original Meghrig oversized boards. Avg circ to EF, avg G-VG to F-VF in later dates, some typically dark or with verdigris or with early cleanings, cpl damaged. Features such highlights as better grade VF-EF 1817, 1818, 1819, 1839 Head of 1840 and even an 1857 Small Date, plus sporadic other slightly sharper grades. Inspection recommended. Unsearched for varieties. 48 coins.

61. **Braided Hair Large Cent Accumulation.** Includes: 1839, 1840(3), 1841(3), 1842, 1843(2), 1845(4), 1847(2), 1848(8), 1849(3), 1850, 1851(13), 1852(6), 1853(8), 1854(7), 1855 and 1856(2). Good to Fine, mostly G-VG or better on the early dates, some regularly encountered surface issues, a few ltly clnd or dark – later dates VG to Fine-VF, some typical minor impairments, cpl clnd or dark. An otherwise sharp and presentable collector grade run of Braided Hair Large Cents with useful retail, internet or program content. 65 coins.
62. **Collector Oriented Entry Level Grade Braided Hair Large Cent Conglomeration, 1841-1856.** Features a wide range of dates from the 1840's(17) and 1850's(26). Fair to VF-EF; most avg VG to F-VF, many clnd, dark or with lt marks, rbs, scs or verdigris – a few damaged, but still a representative a value based ensemble for retail, program or internet marketing. Dimes

280. 1802 and 1807 Draped Bust, avg AG-Good, old cleaning and typical minor damage/marks and possible tooling/repair but bold date and design elements, commensurate weakness at borders for the grade range. Still a presentable entry level pair of this rare type, affordable for the collector. 2 coins.
281. 1807 Draped Bust. JR-1. PCGS AG3. Fully original and nearly Good for the issue. A problem-free certified example.

A Notable Offering of Capped Bust Dime Coinage

- 282P. 1809. JR-1. Key first year issue of the Capped Bust series and rare as such. Choice VF, deep slate gray and gunmetal color, a few insignificant marks – otherwise very nice and scarce at this grade level.

- 283P. 1811/09. JR-1. Key overdate in high grade. NGC AU55 with deep steel blue-gray color, sharp appointments and luster. A grade almost never available in the marketplace.

- 284P. 1814. Small Date. JR-1. NGC VF30.

- 285P. 1814. Large Date. JR-2. NGC AU50. A very scarce variety this nice.

- 286P. 1814. STATESOF variety, JR-5. NGC AU58 in an earlier slab with steel blue and pearl gray color. A prohibitively rare variety, especially in better grades such as this. An example for the series specialist.

- 287P. 1820. STATESOF variety, JR-1. PCGS VF35 CAC and nice. An infrequently offered date and variety.

- 288P. 1820 Large O. PCGS AU58 CAC with splashes of amber and hints of blue.

- 289P. 1821. Large Date. JR-1. NGC AU55. Amber hues of toning. A tough coin in this condition.

290. 1821 Large Date, aVF/VF; 1823/2, Good+; 1825, bold F-VF, a few lt scs and 1835(2), VF+ and original along with another in VF with an old cleaning. 5 coins.

370. **High Grade Nearly Complete Mercury Dime Collection, 1916-1945.** An impressive carefully selected set minus only the 1916-D (two 1916-P examples present), the 1921-P&D and 1942/41-P&D overdate Keys—otherwise complete plus the 1945 micro S. Sharp EF-AU to Gem Unc and lustrous, most early dates AU to Unc, later dates Unc to Gem Unc. The 1926-S is EF-AU, cpl lt mks; other nicer dates include 1919-D, 1924-D, 1925-D, 1927-D, 1928-S, 1931-D and 1931-S, all sharp AU-Unc to Choice Unc. A few sporadic wipes or lt cleanings, yet some with really exemplary color. Viewing advised, a neat old time set in a Library of Coins album. 76 coins.

371. **Roosevelt High Grade Dime Set Pairing of Silver Coinage, 1946-1964.** Features two complete sets, one in old-time Library of Coins album with some handsome toning and a second blast white set in a white Capital Plastics board. Nice group. 96 coins.

Twenty Cents

372P. 1875-CC. Toned aVF-VF, popular, cpl small marks.

373P. 1875-S(2). AU/EF, neat die cracks reverse and a second example, ltlly hairlined EF-AU, starting to retone. 2 coins.

374. 1875-S(4), ltlly clnd EF, cpl areas of small marks; VF+, areas of fine porosity—mostly on the reverse; VF, faint obverse hairlines and toned Fine, tiny dig reverse respectively. 4 coins.

375. 1875-S(6), Fine/VF, lt rub; VG, a few old pin scs reverse; VG+, lt stain and another toned Good plus a pair grading G-VG with minor problems. 6 coins.

Quarters

376. 1805 Draped Bust, lacquered/toned AG-Good; 1806 Draped Bust(2), one AG-Good, sharp date and another AG/Good, hairlines and rub lighten design elements, toning in devices; 1815, VG, lt graffiti obverse field and 1834, toned EF, rn obverse. Neat entry level early Quarter quintet. 5 coins.

377. 1806/5, PCGS Good-4, nice original stone gray color and 1807, Browning-1, PCGS Good-4. A pleasing pair of certified, well-circulated Draped Bust Quarters. 2 coins.

378P. 1806 Draped Bust. Fine from a standpoint of wear, possible expert old repair(?) and now retoning to a soft gray and gold. A desirable type example with nice detail.

379. 1806, detail of toned Fine, early damage repaired in stars obverse, possible tooling/smoothing at 2 to 3 and 7 to 9 o'clock, sharpness of design is pleasing and 1807, VG/Fine details, lt scattered hairlines, now retoning, cpl lt marks. A respectable entry level pair of Draped Bust type examples. 2 coins.

380. 1807 Draped Bust, PCGS Genuine, VG details, graffiti, toned and still quite pleasing with full bold rims; 1815, toned Good+; 1818, Good+, cpl faint old scs, 1833(2), clnd VF+ and Fine, old toning plus 1834, F-VF, cpl lt scs and rn. 6 coins.

381P. 1815. "E" Counterstamp above Capped Bust obverse. PCGS Genuine. AU details, damage, a few old marks/pin scs. This letter often speculated to be the mark of Ephraim Brasher, yet mystery still surrounds these coins to this day. Attractive.

382. 1818(4), one about VF, retoning nicely from a very old cleaning; the second clnd Fine-VF, short scrape obverse field, retoned in shades of gunmetal blue and a lesser grade pairing, clnd VG+ and VG, tape residue obverse plus 1821, deeply toned G-VG, faint hairline scs. 5 coins.

383. 1821, Good; 1838 Capped Bust. about EF-EF; 1853 Arrows & Rays, EF details, lt pitting and cleaned/tooled to attempt removal – still very presentable; 1861, nicely retoned AU, neat Civil War date and 1876(2), one toned EF, some faint old pin scs and the second clnd VF. 6 coins.

Consigning is an easy process! You can ship your coins directly to us or visit our offices.

We also travel for larger collections and are more than happy to assist you in listing your material.

510P. 1899-S. PCGS MS62. Tremendous luster with just a tinge of violet at the dentils. A sought after date in such condition, this example also exhibits possible upgrade potential!

511P. 1899-S. Very underrated date. NGC AU58, teal and sunset orange target toning with color both sides.

512P. 1899-S. NGC AU55, surfaces a tad bright yet still appealing. Scarce issue and grade.

513P. 1899-S. PCGS AU53 with stately toning. A pleasing, better grade example of this difficult to acquire date and mint.

514. 1900, 1900-O and 1900-S. Avg Choice AU, the last *Ex: NGC AU55 with insert*. Neat trio! 3 coins.

- 551. 1907-S, PCGS AU50; 1908-D, PCGS AU50 CAC & 1909-D, NGC AU53. A couple with amber peripheral toning. 3 coins.

- 552P. 1908-S. PCGS AU58 CAC. Flashy and lustrous, initial impression of Unc and ultra PQ.

- 553P. 1908-S. PCGS AU55, golden toning. A prohibitive date and mint in this grade for set builders.

- 554. 1908-S. *Ex: PCGS XF45 with insert*, color and iridescence obverse.

- 555P. 1908-S. PCGS XF40, color at borders and appealing. An underappreciated issue in better grades.

- 556. 1908-S, early ANACS small holder VF30 with luster and color; 1909 and 1909-D, AU and EF-AU, color, yet random marks along with an additional 1909-D and 1909-S(2), VF to EF, some old cleanings, hairlines; cpl are retoning, the second coin *Ex: ICG AU58 with insert*. 6 coins.

- 557P. 1909-O. PCGS VF35 with toned surfaces, a few tiny ticks yet a very scarce grade.

- 558. 1909-O, PCGS F15, tough date and mint plus 1914-S, aVF-VF, lt old cleaning and a few pin scs, retoning and still quite pleasing. 2 coins.
- 559. 1909-O, PCGS F12 if not slightly better and 1914-S, PCGS F12. Scarce collector grade pair. 2 coins.
- 560. 1909-O(3), one PCGS F12, toned and strong for the grade with nice stone gray color plus an additional pair in NGC VG10 and PCGS Good-6, pleasing trio. 3 coins.
- 561. 1911, lustrous pale golden Borderline Unc; 1911-D, EF/Choice EF, obverse hairlined yet the reverse is nice and 1911-S, EF-AU, splashes of color. 3 coins.
- 562. 1911-D. PCGS XF45 and nice golden-gray hues, wholesome.
- 563. 1911-D(2), Choice VF-EF and clnd VF-EF; 1911-S, 1912-S, 1913 and 1913-D. All better dates, avg clnd VF-EF to EF unless noted, some starting to retone, cpl with stray marks or scs. 6 coins.
- 564. 1911-D, Fine(3), VG(3) and Good; 1912-S(2), Fine and VG and 1913(4) mixed Good to Fine along with 1914-S. VG(2), G-VG(2) plus G/AG and Good(3), a few ltly hairlined or with marks. 20 coins.

- 565P. 1911-S. PCGS AU55, golden-gray toning. Scarce grade for the issue.

- 566. 1911-S, 1915-S and 1916-D. Highly lustrous pale golden toned Choice AU to AU-Unc, some faint hairlines or tiny contact marks keep these from a better grade yet quite attractive. 3 coins.

- 567. 1911-S/S RPM and 1912-S, both Choice EF-AU and 1913-D, EF+, all with faint hairlines yet lustrous and starting to retone. Neat trio. 3 coins.

- 568. 1911-S, Choice EF, numerous faint pin scs obv yet still pleasing; 1915; 1915-D, 1915-S, 1916 and 1916-D, avg aEF-EF to AU, most faintly hairlined, some lustrous, cpl with stray marks, the last with small dig. 6 coins.

576. 1914, AU53; 1914-D, AU58; 1915, XF40; 1915-D, AU50 and 1915-S, XF45. All PCGS certified, the AU examples seemingly generously graded – in our opinion an XF to Choice XF ensemble. 5 coins.

577P. 1914-S. Semi-key date. PCGS AU55 CAC. A very desirable coin in such a difficult grade for the specialist of the series.

578P. 1914-S. Semi-key date. PCGS XF40, presenting more as a 45 coin with natural golden-gray surfaces and fresh appearance. Worth a premium bid.

579P. 1914-S. Semi-key date. EF to Choice EF, muted violet to gold color, some faint hairlines.

580. 1916-D Over Small D. FS-501. PCGS Secure AU58. Seldom available in high grade.

581. **Large Stock Box Allocation of Barber Quarters, 1892-1916.** An interesting and widely varied group of dates and mints, some slightly better, mild duplication. AG to Fine-VF, some typical old cleanings or minor impairments throughout, viewing recommended. All in 2x2's for retail presentation, mostly G-VG or better. 152 coins.

582P. 1917 T-1. PCI MS64 FH in maroon J. T. Stanton signature holder. A truly compelling strike with wonderful sharpness, satiny white luster and pale gold hues. Strong cross or upgrade potential.

583P. 1917 T-1. Early small ANACS slab MS62 FH, a beauty extolling colorful toning with nice luster and the virtues of a few points higher grade. Another excellent candidate to cross or upgrade.

584. 1917 T-1(2), ltly toned Choice AU-Unc and lustrous Choice AU; 1917-D T-1, retoned/clnd EF and 1917-S T-1, Fine; 1917 T-2, lustrous Choice AU; 1918-D, VF and 1918-S, Fine, bright spot rev. 5 coins.

Also, mixed dates and mints 1917-1930(26), cpl slightly better dates/cpl duplicates, AG to VF, some cleaned or dark. Viewing advised. 36 coins.

593P. 1919-D. Better date. VF-EF, a likely lt old cleaning, silvery-gray color.

594P. 1919-D. PCGS XF40, typical softly struck up date.

595P. 1919-D. PCGS VF25, solid grade with bold date.

596P. 1919-S. Gorgeous, fully-struck Choice AU, virtually full luster beneath gold and pale blue to violet toning. Would fit easily into an Unc Set.

597P. 1919-S. PCGS AU50, blue iridescence in devices obverse – pretty appearance.

598P. 1919-S. Very Choice EF-AU, a lt old cleaning leaves shimmering fields now deeply veiled in pearly gold and gunmetal blue-gray toning.

599P. 1919-S. EF and nearly Choice, muted steel gray and gold hues accent a well-defined strike, one darker area of toning reverse.

600. 1920, 1924, 1929 and 1930. Unc and attractive Borderline Unc, appealing and lustrous, cpl with splashes of color. 4 coins.

Half Dollars

- 633P. 1795 Flowing Hair. O-102. Bold VG-Fine, ltly clnd long ago and a few random marks and faint lines yet a very presentable type coin. Once ANACS graded VG10 with insert present.
634. 1803 Draped Bust. O-103. NGC Fine details, obverse scratch.
635. 1805 Draped Bust. O-107 R5. Handsome brownstone and slate gray problem free VG.

- 636P. **Rainbow Toned Gem Nearly Finest Known 1806 Half Dollar.** 1806 Draped Bust, Pointed 6, no stem. O-109, possibly O-109a with pronounced die crack at star 12. NGC MS64 with extraordinary toning, strike and luster. Difficult to imagine how this did not grade higher or warrant a star designation. Among the finest in the census with only one technically higher at NGC, yet this specimen displays eye appeal galore! An MS63 example recently sold for \$17,400 including the buyer premium in August of this year. This offering seems destined to an upgrade resubmission and perhaps a record price.

- 637P. 1806 Draped Bust. Pointed 6, Stem. PCGS Gold Shield AU55, virtually Mint State with pale violet to iridescent gunmetal blue toning. Looks Unc and one could envision this in an MS holder, lustrous and very select quality.

- 638P. 1807 Draped Bust. O-105 Sharply appointed Fine-VF, some lt old marks. Retoning nicely from an early cleaning in shades of iridescent teal, gold and cobalt blue.

639P. 1807 Draped Bust. O-110. About VF-VF, deep slate gray with lighter highlights, a few tiny scattered flecks of old adhesive obverse (possibly removable?). Nice type coin.

640. 1813, toned Fine/VG; 1817, VG, lt hairlines; 1822, Fine, cpl toning streaks and edge cut reverse; 1826, brushed VF, cpl pin scs obverse; 1827 Square Base 2, retoned VF, carbon specks reverse; 1827 Round based 2, VF-Fine, a few random marks and short scs plus 1829, cld VF, starting to retone. 7 coins.

641. 1822, O-108a R3, deep gunmetal Choice VF; 1827 Square Base 2(2), aVF and cld F-VF; 1828, toned VG, faint old graffiti rev; 1829, O-118 R4, EF color in devices, some old marks nicely toned in and still pleasing; 1830 Small O, aEF and 1832 Small Letters, VF, faint hairlines. 7 coins.

642P. 1823. O-103. NGC AU55, soft stone gray with hints of gold.

643P. 1824. O-104. PCGS AU50 with handsome and well-matched cobalt blue, violet and gold toning.

644P. 1825. O-101. PCGS MS62.

645. 1826, O-102, EF-AU, retoning handsomely, faint underlying hairlines; 1832, cld VF, uneven toning and some random marks; 1833, hairlined VF, a few thin scs and 1836 lettered edge, retoning at borders, cpl small areas of dark verdigris reverse. 4 coins.

646P. 1827 Square Base 2. O-120a, R3. PCGS MS62 with old NGC crossover tag – Ex: Jules Reiver Collection noted on insert. Beautifully framed in blue and gold hues and lustrous.

647. 1827, NGC XF45, solid for the grade with golden-gray and gunmetal toning and 1829 Small Letters, O-105a, NGC XF45, violet and deep steel blue toning. 2 coins.

648. 1829 and 1832, EF and Choice EF respectively with steel gray to pewter colored toning, a few lt marks. 2 coins.

649P. 1831. O-109. PCGS AU55, deep plum and violet to golden toning. Very PQ, looks Unc at first glance with CAC and upgrade potential.

650P. **Stunning 1834 Mint State Capped Bust Half Dollar.** 1834. Small Date, Small Letters. PCGS Gold Shield MS64 with intricate iridescent blue and violet toning. A marvelous example with an almost Specimen quality in both overall appearance and strike. Easily should CAC or possibly upgrade.

651. 1834 Small Date, Small Letters, PCGS AU53 with handsome violet and plum toning accented in gold along with similarly graded 1837 Reeded Edge, PCGS AU53, gunmetal and violet toning. Nice pair. 2 coins.

652. 1834 Large Letters and Small Letters(2) plus 1835(2), avg toned VF to VF-EF, some with old marks or rns, pin scs; 1837 Reeded Edge, toned VF-EF, a few streaks and 1853 Arrows & Rays, pleasing original VF-EF. Also, 1840-O, 1855-O Arrows, 1856-O and 1877, avg G-VG to VG, some typical minor impairments yet all decent collector grades. 11 coins.

653. 1837, 1838 and 1839 Reeded Edge, avg about VF-VF, the second clnd with cpl pin scs; 1842 Medium Date, clnd VF; 1844-O, toned aEF, cpl hvy rbs and 1846-O Medium Date, Fine-VF, some scattered marks, once clnd and retoning. 6 coins.

654P. 1838 Reeded Edge. Lustrous AU-Unc, hints of toning around the dentils, a few stray marks, ltly wiped at one time.

655P. 1839 Reeded Edge. NGC MS63, very nice.

656P. 1839 Seated Liberty, No Drapery. NGC AU58, deep iron gray/golden toning, especially on the reverse. Always highly sought after in all grades, especially nearing Mint State. A severely underrated variety.

657. 1840 Small Letters Reverse, gunmetal and golden EF-AU, a few areas of faint scattered marks; 1845-O, Choice EF-AU, some trace hairlines and cpl carbon spots; 1847-O, ltly clnd Choice EF-AU and 1855-O Arrows, polished aEF/EF, obverse now retoning. 4 coins.

658. 1848-O, Choice EF, retoning nicely, a few marks; 1854-O Arrows, ltly whizzed and nicely recolored EF-AU; 1855-O Arrows, clnd EF-AU, bright with areas of color; 1871-S, nearly EF, old hairlines and trace rev verdigris plus 1874 Arrows, VG+, lt old pin scs. 5 coins.

659P. 1851-O. Vibrant blue and violet toned NGC MS63 with underlying luster. A grade which only rarely appears at auction, worthy of a strong bid.

660P. 1853 Arrows & Rays. Early small holder ANACS MS61 with striated rich violet and gunmetal toning laced in tinges of gold, a few old stray marks.

661P. 1853 Arrows & Rays. PCGS AU53, very attractive pearly blue-gray and gold color.

662P. 1853 Arrows & Rays. Early ANACS small slab as AU50, some faint hairlines yet sharp and luster remains amid violet peripheries.

663P. 1855-O Arrows. PCGS MS61. A terrific looking coin for the grade, lustrous with hues of violet and gold. Upgrade potential and eye appeal present.

664. 1855-O, clnd EF, a few tiny digs/punch marks; 1857, Choice EF-AU, underlying hairlines; 1857-O, EF, a few rns and lt abrasions; 1859-S, toned VF, small dig reverse; 1864, toned VG; 1867-S, Fine-VF a few lt marks and 1868-S, Choice VF-EF, unevenly toned/hairlines. 7 coins.

665. 1861-O, Choice EF-AU, some trace hairlines, but color in devices, neat historical Civil War date and pivotal New Orleans Mint locale along with 1870, aEF, a few pin sc and marks, some carbon spotting; 1873 Closed 3, VF/VF+, hairlines and rns, lt contact; 1876, ltly clnd EF and 1877-S, reflective hairlined EF. 5 coins.

666. 1865-S, 1867-S, 1869, 1870, VF to EF-AU details; 1873 Arrows, EF and 1876-CC, EF details. Nearly all hairlined or bright from cleaning yet still desirable better dates and mints, a few with scattered lt marks. Inspection recommended. 6 coins.

667P. 1874 Arrows. Pastel gold and pale violet lustrous Unc to Choice Unc, a patch of very faint hairlines and scattered tiny toning freckles from a better grade yet very attractive.

668P. 1877. NGC MS64 CAC in an older slab, highly desirable teal, yellow and peripheral violet toning – deeper and more prevalent on the obverse, mostly white at center reverse.

669P. 1892. Early small ANACS slab MS61, riveting shades of gold and blue over full cartwheel luster. This coin appears to be the Triple Die Reverse variant, though not designated by ANACS.

670P. 1892, EF and 1892-S, EF to Choice EF by wear, lt early cleanings but still pleasing and sharp. 2 coins.

671. 1892, ltly clnd lustrous EF, cpl toning spots and 1892-O, G/AG; 1893-S(2), G/AG and AG-G; 1899(2), clnd VF, cpl digs and Fine+; 1904-S, bold VG-Fine, cpl rns/edge bumps and 1913(3), VG, Good and rough Good, scs plus 1915, G-VG, cpl rns. Inspection recommended. 11 coins.
