- 480 **US 1878-1921 Complete 95 Coin Morgan Dollar Collection by Date & Mintmark.** The two album set is minus solely the 1895 Proof Only issue, which is not present in the vast majority of Morgan collections. A wonderful and above-average collector grade set, meticulously assembled, likely over a period of years by its owner. Features the Keys and Semi-Keys in G-VG to VF, a close vetting and due diligence advised as this set is raw and uncertified, it is being offered intact without the option of return as are all bulk and multi-coin lots in our auctions. Some better dates, Keys and Semi-Keys with old cleanings, others retoning or with a few old marks. The balance of the set contains a dozen or so solid Unc to Choice Unc examples, including the 1882 through 1885 Carson City coins and a 1903-O, all in Mint State, as well as another twenty to twenty-five or more EF to EF-AU and AU grade examples throughout, a few of these being other Carson City dates and slightly better dates or mints, many added value collector grade coins are present. The remaining coins appear as Fine or F-VF up to VF-EF. About 30 to 50 pieces or slightly more overall exhibit varied degrees of dipping, cleaning or hairlines, a couple commons being lightly polished, a few other issues deeply toned. A tremendous opportunity is present here for the experienced collector, enthusiast or dealer. The collection is housed in two Deluxe Dansco albums. Viewing and inspection recommended, an excellent lot. 95 coins.

- 922 **US 1942 Gold 2.5oz+ 24K Numerology Masonic Prophetic Magic Square Knights Templar Themed Medal by Albert Wiss. 40mm, 24K(1000 Fine Gold edge hallmark) 79.91g according to NGC, by Albert Wiss. NGC MS63 Top Pop – the finest graded example and the only certified example extant!** This highly unusual piece evokes the mystic prophecy themes of the realm of Numerology, Arithmology, Knights Templar, Freemasons, Ouija, Nostradamus, Egyptian Mystics, Kabbalists and the Occult. The medal exhibits the important pivotal dates of July 4, 1776, as well as the years 1492 & 1861 – all benchmarks in American history, alongside cryptic alphanumeric charts and tables within a Masonic “Magic” square & compass imagery and a Cross/Tree of Life symbol. A fascinating piece and hefty gold content. A similar, yet lesser grade raw EF, hairlined and spotted example sold as Lot 900 of a May 2023 CNG Sale for 8000 USD hammer plus a BP of 22.5% to 25% with a much lower gold spot of \$1971 at the time! Wiss was a known mathematics genius, revered jeweler and importer of Fine Swiss Watches in NY at the time this medal was made. Rare, Choice and highly unusual! One can envision Nicholas Cage in a film like National Treasure utilizing this intriguing Gold Medallion to predict future events. A large and impressive piece with an intriguing and mysterious history, this being the finest and sole certified/graded example, worthy of a premium bid!

Canadian Coinage

Large Cents

- 1208 Canada Victorian Large Cent, 1858, Key Date - First Year of issue. Red and Brown AU-Unc Details with the appearance of nearly Unc. Questionable color, yet attractive, a possible barely notable old bend now expertly conserved. One could easily foresee this being sold raw at a high grade as this example has excellent eye appeal. A sharp yet affordable example that would look nice in an album setting.
- 1209 Canada Handsome Vintage Large Cent Collection, 1859 to 1920 – Nearly Complete. Missing only the 1858 and 1876-H, features all the Whitman album variety types. Avg EF to Unc in a vintage Whitman album, only a few old cleanings and mostly pleasing. A nice set worthy of completion. 46 Coins.
- 1210 Canada 1859-1920 Large Cent Ruler Accumulation Lot. Includes Victoria(104), Edward VII(66) and George V(143). Avg VG, occasional clnd and/or dark examples yet largely brown, sporadic typical surfaces or minor issues – mostly a very workable collector grade group of many different dates and some mint-marked examples with duplication throughout. 313 Coins.
- 1211 Canada Mixed Coppers Lot. Includes Large Cents(95), Victoria to George V along with Pre-Confederation Tokens(18) and Small Cents, loose(43) and mixed dates in three near complete partial sets(154 coins in all). Avg Circ to Unc, most earlier issues avg Circ with typical problems throughout. 310 Coins.

Small Cents

- 1212 Canada Unc Roll Lot of 1964(58), 1965 Lg & Small Beads & 1967(3) Cents +1967 Nickels(3). Avg Red Unc to BU Cents and BU Nickels, most with end coin toning or fingermarks in mostly hand wrapped rolls. 66 Rolls.

Five Cents Silver

- 1213 Canada Large 1858-1920 Mixed Date/Ruler Assortment of 5 Cents Silver Coinage.
