TERMS AND CONDITIONS - INTERNATIONAL

All products and services, including the supply of products, rental of tools and equipment and furnishing of services (collectively referred to as "Products and Services") are provided to the customer (hereinafter referred to as "Customer") in accordance with the following terms and conditions set out herein. Any sales quote, sales order, invoice, field ticket, or other documentation relating to the Products and Services provided to Customer, along with these terms and conditions shall, taken together, form the contract between STATE Energy and the Customer (hereinafter referred to as "Contract"). Each shipment received by Customer from STATE Energy shall be deemed to be only upon the terms and conditions contained herein. In the event of any conflict between any documents, the following terms and conditions shall govern.

It is hereby expressly agreed that the conditions in and about Customer's service site, industrial facility, well, well bore, and drilling machinery have not been created by STATE Energy and that STATE Energy has no means to determine the hazards and dangers existing in and about said facilities and/or well to be encountered while the Customer performs any services which may cause surface and/or subsurface damage, property damage, personal injury and/or failure of the service operation. It is therefore agreed that the following terms and conditions shall apply to all products and services, as described above, that are provided to the Customer:

PAYMENT

The Customer shall pay the price in U.S.A. Dollars for all Products and Services as set out in the sales order invoice (hereinafter referred to as "Invoice") net 30 days from the date the Invoice was issued at 1050 East 2nd Street, #285, Edmond, Oklahoma County, Oklahoma 73034 or as agreed to separately by the Parties. If not paid within thirty (30) days, the unpaid amount of such bill shall bear interest at the maximum rate allowed by law. All taxes and duties, if applicable and dependent upon circumstances of sales order, are for the account of Customer and in addition to the prices identified in the Invoice. Customer agrees to purchase Products and Services and pay such costs, taxes, fees, and duties that may be applicable.

SHIPMENT AND RISK OF LOSS

All products are shipped Ex Works unless agreed to separately by the Parties. Title to goods and risk of loss of goods are passed to the Customer upon pickup by Carrier. Customer shall be responsible for, and shall pay for, all shipping arrangements including crating, handling and delivery costs.

Such rentals are taken by the Customer on an "as is" basis and with the same warranty and warranty limitations as otherwise expressed in the WARRANTY AND LIMITATION OF LIABILITY section set forth below.
