Are You Willing to Volunteer?

EAD Bylaws Section 5: Members' Duties

According to EAD's bylaws, all members are **encouraged** to help out at least once a year. This could be volunteering your time for events or fundraising to help keep EAD strong and active.

Volunteering is a great way to support EAD, give back to the community, and help keep our programs and Community Centre running. There are many ways to help — you can assist at events, plan activities, volunteer at Bingo or Casino nights, or even join a committee or the Board. Every bit of help makes a difference.
