DIRECT CARE WORKER CONTINUED EDUCATION

Example Only

- Six hours of continuing education are required annually. For DCWs hired/contracted prior to October 1, 2012, the yearly timeframe for continuing education is from October-September. For DCWs hired/contracted on or after October 1, 2012, the yearly timeframe for continuing education is the anniversary date of the DCW's date-of-hire)
- Continuing education can be offered in many forms, including in-service, video/Digital Video Disk (DVD), written material, attendance at a class or conference, and so forth. Consideration should be given to allow family caregivers to complete the materials at home if necessary.

Annual Training Timeframe: From 10/1 to 10/1/2027

TRAINING TOPIC	DATE	TIME TO COMPLETE	DEVLIVERY METHOD
Unmasking Autism By Devon Price PHD	10/1/26	10/7/26	Book to Read
This book took me 7 hours to read. I highly recommend this reading for someone who has been dealing with autism in their life for a while.
