## Sponsorship Opportunities Available!

On September 24 the Connecticut/ New England Chapter of Women in Aviation, International (WAINE) will participate in the 8th Annual Girl's in Aviation Day (GIAD). Your generous sponsorship will enable us to host 200+ kids at this exciting event! Contact our chapter GIAD committee today to arrange a sponsorship (levels shown here). WAINE is also fielding requests to sponsor in-kind donations such as swag, water, and other items.

Our mission is to make this a fun-filled day of discovery by providing learning & reading materials, scholarship funding and information, and take-home memoirs for the kids.
