

Who We Are

The NM Peer Coalition is a network of peer support workers, advocates, and allies dedicated to promoting recovery, wellness, and empowerment in New Mexico. Our members use their lived experiences to guide and support others on their recovery journeys.

Our Services

Become part of a thriving community that believes in the power of lived experience. Whether you're seeking peer support or want to become a peer worker, the NM Peer Coalition is here to help.

What We Offer

Training and Certification Opportunities

Advocacy for Peer Support Workers

Networking and Community-Building Events

Mentorship

Empowering **New Mexico's Peer Support Workers**

Our Mission

To strengthen the peer support community by providing resources, training, and advocacy, fostering a recovery-oriented system that honors lived experience and ensures access to quality care.
