

M-SCEA presents...

# N.E.S.T.

(New Educator Support Training)

"Helping new educators soar!"

Annually, new educators are metaphorically thrown out of the district's "nest" of available applicants without benefit of previous training or support. In essence, they are expected to soar with very little or no support. NEST is the latest effort by the association to reach out to educators with 0-2 years of classroom experience to provide continuous support throughout the 2018-19 school year.

Topics to be covered include but are not limited to:

**Classroom Management**

**Data Utilization**

**Teaching Strategies**

**Community Involvement**

**Networking Opportunities**

The inaugural meeting will be this **Thursday, August 23, 2018, 3:00 p.m. at the M-SCEA Building, 126 Flicker Street.** Please register with me, M. Raquel Williams at [Raquiwms1@yahoo.com](mailto:Raquiwms1@yahoo.com) or (901) 212-5069 by Thursday morning.
