**Leading innovative collaboration
to improve the health status
of Northern New Hampshire.**

The North Country Health Consortium (NCHC) is a rural health network, created in 1997, as a vehicle for addressing common issues through collaboration among health and human service providers serving Northern New Hampshire. NCHC is engaged in activities for:

- Solving common problems and facilitating regional solutions
- Creating and facilitating services and programs to improve population health status
- Health professional training, continuing education and management services to encourage sustainability of the health care infrastructure
- Increasing capacity for local public health essential services
- Increasing access to health care for underserved and uninsured residents of Northern New Hampshire
