Tariff Update - Price Change Announcement - Effective: May 15, 2025

---

Dear Valued Customers

**Immediate Price Update.**

Based on the most recent tariff announcement from May 14, 2025, we have adjusted our list pricing to reflect the new & lower tariffs. RED-WHITE VALVE CORP.'s current list price file is dated 5-15-25 and reflects some adjustments from our 4-1-25 price file.

Please refer to the attached excel file for new list pricing, effective 5-15-25.

Country of Origin Tariff Increase based off April 1, 2025 price file:

- China - 10% (excludes noted items below)
  - Tankless ISO Kits 3400RAB ¾, 3420RAB ¾, 3430RAB ¾ - 0%
  - 8000 series - 0%
- Italy, Japan, Poland, Thailand: 10%
- All orders shipped between May 1, 2025 – May 13, 2025 will be invoiced at the prior tariff (5-1-25) amounts.
- Discounts and multipliers will remain the same.
- All active quoted and project pricing is subject to review and may have to be re-quoted, reflecting the lower & current tariff situation.

Please note, as new information is received, additional changes may be required.

Thank you for your loyalty and support.  
RED-WHITE VALVE CORP.
