*You Know Your Business. We Know Collaboration*

## TEAMBUILDING DONE RIGHT

A 21<sup>st</sup> century process to really solve your 21<sup>st</sup> century team challenges

### Assessment

A pre-session assessment will provide you with clear data on the state of team fundamentals. Build your team right - From the foundations.

### 4 Hours

A session that will take your team to a new understanding of how Team BUILDING must be done and provide the tools to do it.

### Coaching

Coaching for the team leadership and online support for the team through the first two weeks of real Team BUILDING done right.

### WHY WE ARE DIFFERENT

Collaborative solutions are based on three assumptions from the twenty first century that have resulted in huge operational, economic and human costs for the last 50 years.

Our proven twenty-first century solution goes beyond these assumptions and delivers engagement, agility, effectiveness, accountability, equity and trust in just months of application.

### OUR CLIENTS ARE SAYING

*"We were able to introduce a deep cultural change at the 13 sites in the country. The results were so good that this project was considered a worldwide benchmark."*

*"We learned to truly work based on outcomes. We optimized time management in all work sessions and integrated criteria to establish a work system based on accountability, teamwork, focus on outcome, respect and focus on client satisfaction."*
