Dear Parents and Guardians of San Fernando Institute for Applied Media,

The Los Angeles Unified School District approved a new LAUSD Title I Parent and Family Engagement Policy in June of 2018 which was developed with the meaningful consultation of Title I parents and family members from each Local District. - D. Through Local District Title I Study Groups, LAUSD will conduct an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of Title I schools, identifying the strategies to support successful engagement, the needs of parents and family members to assist with their children's learning, and the barriers to greater parent participation in activities.
- E. LAUSD will use the findings under section D to design evidence-based strategies for more effective parent engagement and to revise, if necessary, the LAUSD Title I Parent and Family Engagement Policy.
- F. LAUSD will involve parents in the activities of Title I schools, ensuring that schools listen responsively to parents, welcome them as partners, and provide leadership and learning opportunities to them. LAUSD will ensure that parents and family members are knowledgeable about school and District programs, engagement opportunities, student and school performance data, parents' rights and responsibilities, and how to support their children's education.

If you are interested in learning more about the annual review of this policy that takes place in each Local District, please contact the Office of Parent and Community Services at 213-481-3350.

Sincerely,

Pearl Arredondo

(SFIAM Principal)
